

GOOD MEETING AS SEASON BEGINS

C. W. L. Conveners Announced at Gathering in K. C. Hall.

The new season for the St. John sub-division of the Catholic Women's League had a most auspicious opening last night when the first general meeting was held in the Knights of Columbus hall with Mrs. John Owens, president, in the chair. Rev. William Duke was present. The secretary's report was given by Mrs. S. C. Tippet and the president announced the names of the conveners of the various committees as follows: Membership, Miss Katherine Lawlor; finance, Miss M. O'Brien; educational, Mrs. Joseph Gleson; social service, Mrs. Thomas Fox; programme, Mrs. C. O. Morris; immigration and travelers' aid, Mrs. Thomas Morrissey; magazines, Mrs. J. H. Doody; press, Mrs. James Sugrue; and social, Mrs. P. Brennan. The auditors were announced as Mrs. Joseph Harrington and Mrs. W. J. Hill and the diocesan delegates, Mrs. F. J. Power, Mrs. Louis Gousses, Mrs. F. J. McInerney, Mrs. M. T. Coholan, Miss Elizabeth McInerney and Miss Katherine Kane with alternates, Mrs. Charles Hanes, Jr. and Mrs. W. P. MacDonald.

After welcoming the members, Mrs. Owens reminded them that with the adoption of a national constitution they had pledged themselves to national work, each sub-division being a link in a chain of activities. For the St. John sub-division plans have been made for a class in home nursing and first aid. Gymnasium classes are being formed and badminton is being arranged for. W. E. Stirling will be the gymnasium instructor. Preliminary arrangements were made for an activity to be held this month, the proceeds of which will be for the Sisters of Service. A splendid report of the C. W. L. convention held recently at Edmonton was given by Miss Ellen Lynch, corresponding secretary. Father Duke then addressed the meeting and expressed his pleasure in hearing the excellent report of the convention.

After the business meeting a social hour, under the chairmanship of Mrs. M. Atkinson, was enjoyed and it gave the members an opportunity of meeting a former member, Mrs. M. Bohan, of Kingston, Ont., who is visiting in St. John.

The W. C. T. U. meeting yesterday was devoted to Mrs. C. W. Dickinson was in the chair and led the devotional exercises, in which Mrs. W. H. Humphrey and Mrs. L. Hoare also took part. Many of the members were absent attending the convention in Campbellton.

THEY ARE 3,600 YEARS OLD

Here are some of the dishes they used back around 1700 B. C. An expedition sent out by the University of Pennsylvania Museum has just unearthed them near Belan, 10 miles from Nazareth. Excavations by the party have borne out the conclusion of some historians that the shepherd kings of Egypt, after the expulsion from the Nile valley, sought refuge in this section of Bible lands.

Banquet and Election of the St. Andrew's Young Men's Club.

St. Andrew's Church Young Men's Club made a grand start for the winter season last evening when 75 members partook of a banquet in the church hall. Fred Smith, the retiring president presided. Rev. J. S. Bonnell, pastor of the church, gave an after dinner address that appealed greatly to the young men.

The election of officers resulted as follows: Honorary president, Rev. J. S. Bonnell; president, Cecil Spence; vice-president, John Murray; secretary-treasurer, Fred Smith, and executive committee, Atwood Bridges, Stanley Rankine, Gordon Wilson, L. F. Sewell, W. A. Clark and Roland Trentowsky.

The new executive drew up a permanent constitution, which was passed. The one drawn up last year was tentative. Outlines of a debating programme were made and caused enthusiastic comment from the members. It was hoped, Rev. Mr. Bonnell said, to have interchange of debates with other young men's clubs during the winter. The club is planning to take up biographical studies of great men. They will also carry out an extensive athletic programme. On Sunday afternoon they will assemble for Bible study with Rev. Mr. Bonnell as leader.

The Princess Matchabelli, whose own complexion is always exquisite, has graciously praised the perfection of skin which results from "the use of Pond's Two Creams"

The PRINCESS MATCHABELLI on the importance of caring for the skin

"I have been impressed by the way American women do not allow the effects of exposure to mar the smooth delicacy of their complexions. Indeed, their charming youthfulness is due largely to their clear, fresh, beautifully cared-for skins. Women everywhere can acquire the same perfection with the use of Pond's Two Creams."

SLENDER but commanding; features of chiseled beauty; fine dark eyes; a skin as ivory-white as the roses that bloom in the gardens of her Italian villa.

This is the Princess Matchabelli. But add to the picture the imperious graciousness of a noblewoman with a name and title nine centuries old.

The Princess who has lived everywhere, known everywhere, today shares the life of the sophisticated inner circles of Rome, Paris, London and New York.

"American women are beautiful," she said in answer to a question concerning her impressions, as we talked in her stately apartment overlooking New York's Central Park. "So fresh, so young. Indeed they keep their youth so marvelously that it's delightfully impossible to guess their age."

"I find them all so exquisitely groomed," continued the Princess.
