GERMAN NAVY IN REVOLT

Want Food, Bad Treatment and
Bad News Caused It

A GENERAL STRIKE

The Trouble Spreads—Mutineers Seize
Wireless—Submarines at Sea Ignorant
of Conditions at Home—Officers
Helpless

The Hague, Nov. 7.—Scout food, bad
treatment by their officers and exaspera-
tion caused by the collapse of Turkey
and Austria culminated in a movement
of revolt in the German navy. The re-
volt broke out at Kiel on November 3.
Sailors ashore, aided by workmen, seized
the fort and arsenal. The movement

spread rapidly to the crews of warships
in the roadstead.
On the 4th the labor unions proclaimed
a general strike. On the 5th the re-
volt reached Wilhelmshaven, Heligoland,
Borkum and Cuxhaven. Almost the en-
tire fleet is now in revolt.
The mutineers have seized the wireless
and are communicating with each other.
Their officers are powerless. A few
units remain loyal. The submarines at
sea are ignorant of the armistice pro-
posal, this news having been hidden
from them.

Martin Orme Player Piano

Evidences of Sincerity

IF you had your choice of two beautiful vases, the one factory-made,
stiffly and coldly correct; the other a hand-made vase, but making
visible in its every graceful line the soul of an artist-craftsman, which
would you select? We are very sure you would be charmed by the
sincerity and personality of the skilled craftsman's handiwork. When you select
your piano, remember it will be for a lifetime. Put your faith in a player-piano that
is the personal achievement of a recognized genius in the art of tone-production.

Each individual Martin-Orme Player is the personal pride and enthusiasm of
a master-artist-craftsman to whom anything short of the highest ideals in player-
piano building would be unthinkable. Every Martin-Orme Player is made in
sincerity under the personal supervision of Owain Martin, the creator of many
innovations which have since become "standard" in high-class piano construction.
We invite your critical inspection of these famous instruments in our warerooms.
