

THIRTY-FIFTH ANNUAL REPORT
—OF THE—
BOARD OF MANAGEMENT
—OF—
ST. ANDREW'S CHURCH, LONDON.
BEING FOR THE YEAR 1885.

1st. 2nd. A full list of the subscribers, and the amounts paid by each, to the fund for liquidation of this debt since its inception, is appended. There were other subscribers, and, in a few instances, larger sums were subscribed, but owing to changed circumstances these have not been enforced, and it is a great satisfaction to the Board that they have been able so early to bring this matter to a successful issue.

3rd. It should not be overlooked that the Trustees have still in hand \$1,000, being part of the liberal legacy bequeathed to the Church by the late John Stewart. There is also the property fronting on Dufferin Avenue, which was offered for sale last summer but not sold.

4th. The ordinary sources of income, under the present systems of raising revenue for congregational purposes, have not been sufficiently liberal to meet in a prompt and comfortable manner the current expenses. The financing has occasioned much unnecessary trouble and anxiety to the manage-
