Treaty Reservations Adopted By U. S. Senate.

SENATORS INSIST ON MONROE DOCTRINE AND HOME JURISDICTION—NO ARBITRATION ON INTERNAL AFFAIRS

WASHINGTON, Nov. 15. — A peace treaty was adopted today in the senate.

The vote was 78 to 16. Republican and Democratic leaders voted together for the closure which means that until the treaty is adopted no senator may speak in all more than one hour. It was estimated that this step would bring final action within a week.

The action invoking closure for the first time in the state's history resulted in an immediate speeding up of the reservation program, the next reservation on the committee list being adopted within one minute without debate or a roll call. It related to mandates.

The text of the reservation adopted follows:

No mandate shall be accepted by the United States under article 22, part one, or any other provision of the treaty of peace with Germany except by action of the congress of the United States.

The committee's Monroe Doctrine reservation was adopted by a vote of 55 to 33. The reservation of domestic questions was adopted, 59 to 26, all opponents being Democrats.

The reservation of domestic questions follows:

The United States reserves to itself exclusively the right to decide what questions are within its domestic jurisdiction and declares all domestic and political questions relating wholly or in part to its internal affairs, including immigration, labor, coastwise traffic, the tariff imposition of traffic in women and children and in opium and other dangerous drugs and all other domestic questions and all questions affecting the present boundaries of the United States and its insular and other possessions, are solely within the jurisdiction of the United States and are not, under this treaty, to be submitted in any way either to arbitration or to consideration of

the League of Nations or any agency thereof, or decision or recommendation of any other power. The senate then took up the Shantung reservation by voting down, 56 to 42, a substitute by Senator McCumber, Republican, North Dakota, proposing that the United States refrain from entering into the Shantung settlement. Under the committee wording the United States would "withhold its assent." The Shantung reservation was adopted without change by a vote of 55 to 41. A substitute by Senator Pittman, Democrat, Nevada, was defeated, 50 to 39.

By Fifty to thirty-nine, the Monroe Doctrine reservation was adopted as follows:

The United States will not submit to arbitration or inquiry by the assembly of the League of Nations, provided for in said treaty of peace, any questions which, in the judgment of the United States, depend upon or relate to its long established policy, known as the Monroe Doctrine; said doctrine is to be interpreted by the United States alone and is hereby declared to be wholly outside the jurisdiction of said League of Nations and entirely unaffected by any provisions contained in the said treaty of peace with Germany.

A reservation giving congress authority to regulate appointment of United States delegates to the league and to international commissions also was adopted.

Without debate the next reservation was agreed to. It reads:

The United States understands that the reparation commission will regulate or interfere with exports from the United States to Germany or from Germany to the United States only when the United States by act or joint resolution of congress approves such regulation or interference.

The amendment reservation was also adopted.

Shots Fired on Marchers in Armistice Day Parade

THREE RETURNED SOLDIERS KILLED AND SEVERAL WOUNDED.

CENTRALIA, Wash., Nov. 11. — Three former soldiers, members of the American Legion, were killed, two other service men were probably mortally wounded and several other soldiers were less seriously hurt when persons, said to be members of the I.W.W., fired on an Armistice day parade today as it passed the I.W.W. hall. A man, said to have been one of those who fired on the marchers, is believed to have been lynched tonight by the citizens. At least eight I.W.W.'s are in the local jail guarded from a mob of several hundred friends of the men shot down today.

Adolph Derrill, Thomas Sheridan and Harold C. Pratt appeared, charged with rioting and with being members of an unlawful assemblage.

Derrill was convicted and sentenced to a term in jail for a period of 23 months.

Thomas Sheridan was found guilty of being a member of an unlawful assemblage and was fined \$150 or an alternative, one year in jail. He paid the fine.

Harold C. Pratt was discharged, owing to lack of evidence.

Verdict of guilty with a recommendation to mercy, was returned

Would Bar Aliens Entering Britain For Seven Years

LONDON, Nov. 16. — When the Aliens Restriction bill was before the commons last night a stiff fight was made to secure that enemy aliens shall not be permitted to return for seven years, without the home secretary's permission. Two years was suggested by the government.

A. Hopkins, a former soldier, protested against the perpetual hatred of the German, who, he said, had put up a magnificent fight for over four years and on some occasions had nearly beaten us.

Sir John Batcher expressed amazement and disgust at this speech.

Berlin Refused To Listen To Erzberger

BERLIN, Nov. 15. — Demonstrators last night stormed a meeting arranged by Matthias Erzberger, vice-premier and minister of finance, at which speeches favoring the league of nations were made. The police cleared the hall and order was restored.

Professor Shuecking, chairman of the meeting, was insulted and threatened with violence. Deputy Lorenz attacked Erzberger, saying he was responsible for the empire's ruin. The meeting concluded in confusion, the audience singing imperial and national songs.

Among the coolies and sloughs near Borden Ferry, on the Saskatchewan river, and along the trail in that vicinity leading from Saskatoon to Blaine Lake, members of the R.N.W.M.P. and Provincial police are searching for the body of Mary Wilson, who died in an automobile, according to the statement of her husband, John Wilson, on September 27, 1918, made on Tuesday of this week.

No record of her death or burial has been discovered by the police, who are working up evidence to lay a charge of murder against Wilson. The man is in the General hospital, Regina, with 100 stitches in his throat, and is expected to live in spite of a most desperate effort to end life by hacking at his throat with a small penknife.

Von Mackensen Allowed To Return Home

PARIS, Nov. 13. — Field-Marshal von Mackensen, one of Germany's most successful commanders on the eastern front in the campaign against the Russians and Rumanians, is to be permitted to return to Germany from Saloniki. The supreme council decided today to permit the return of the field-marshal, taking into consideration his age and poor state of health.

Von Mackensen was in command of the German forces in Rumania when hostilities ended. He tried to force his way through Hungary to Germany but was arrested at Budapest by French troops and was later reported to have been interned at Saloniki. He is nearly 70 years of age.

Hindenburg Prevented From Giving Evidence

BERLIN, Nov. 14. — Pan-German students today refused to permit Field-Marshal Von Hindenburg to testify before the sub-committee, which is investigating war responsibility and forced the field-marshal's chauffeur to return with the former commander-in-chief to his home.

The demonstration occurred this morning as the field-marshal's automobile was being driven toward the Reichstag building. The students surrounding it declared their unwillingness to allow him to be questioned by the sub-committee.

Von Hindenburg begged the students who clung to the running board of the machine to allow his automobile to pass, as he was due at the Reichstag. The students, however, replied by ordering the street closed, declaring that they were unwilling to allow the sub-committee to interrogate him. Again Hindenburg protested, but he was unable to quell the demonstration.

It was a nationalist demonstration for both Von Hindenburg and General Ludendorff and for a time it assumed serious proportions. The crowd which gathered consisted mostly of students of both sexes who carried with them an old German flag.

When Hindenburg's automobile was waylaid, the crowd cheered both Von Hindenburg and Ludendorff, and shouted "down with the Jewish government."

After Von Hindenburg's protest, the plea to be allowed to proceed was unheeded, but nevertheless, the automobile began to pierce its way through the crowd toward the Reichstag. Thousands of per-
