The Shippegan Short Route.

The St. John Globe of the 13th inst putlished an appreciative article in refer to the enterprise of Kennedy Burns, Esq. M. P., of Bathurst, who is a sanguin believer in the doctrine that northern New and party doing well. Brunswick is destined to furnish the best and shortest route for European summer travel. As explained by Mr. Burns to a Globe representative, his scheme is to con-

two, which practically means half past two.

It is a matter of regret that Judge King, or any other judge should take such a position. It is true that he has the power to do so, but when he exercises it in that way he sets a very bad example to others in less explicitly supposed by the defendant. Mr. McConnell had not preserved the manuscript of Alexander's letter, but was able to testify positively that it was in the same handwriting as the letter the has the power to do so, but when he exercises it in that way he sets a very bad example to others in less explicitly positively. But, unforthvery bad example to others in less exalted positions. It is unnecessary far us to repeat what we said last week in reference to the results of such want of punctuality, and disposition to delay business. We do our duty when we direct public at-

away below the lowest, and quality the best.
