Creak! crawk! And then thud plish! splash! and a horrible echoign, whispering sound, as the water G. B. FRASER,

ATTORNEY & BARRISTER NOTARY PUBLIC

When each bucket in turn was a slight dew on the cought by a constitution of the constituti caught by a check and reversed, to man's face, or I fancied there was, pour the contents into a huge cis- and I said to myself, as I went tern to supply the drinking water | round to the front :

at the castle.

I, Charles Lester, had climbed the down after my early morning visit to the sea beneath the cliffs, Deuced unpleasant, all this runwhere a plunge down into the clear ning tilt at the servants; I wish I depths had sent an electric thrill through me. There I had swum and dived for 10 minutes, dressed in the reaction of the law.

After breakfast I rang for Rray.

SURGEON DENTISTS in the warm sunshine, and tramped son, and began my inspection of back over the cliff slope, where Lord Gurtleigh's flock of Southdowns were nibbling the short four days. Result: I had Brayson dewy herbage and giving their into the little library, which was mutton a gamey flavor by crunching up the thousands of tiny snail Gurtleigh having merely reserved

ells as well. I was satisfied with the look of the flock, laughed at myself as I thought what a farmer, bailiff, and pale and sodden. In those four general man of business I was days he had lost flesh; and, as he rowing in dear old Dick's interest, stood before me, the miserable and then had gone round so as to wretch perspired profusely and pass through the gardens and let was trembli the men see I was about.

'I know they'll call me a nigger gravely, 'you are aware that Lord lriver,' I said to myself, 'but Gurtleigh has placed everything in GANADA EASTERN RAILWAY they've all had too easy a time of it during Dick's minority, and things have been shamefully ne- 'Exactly. elected.' And then I mused on my to have to exercise my prerogative plans respecting the management of the estate as I went back to the castle, making up my mind that, as Gurtleigh had placed everything in the past seven years you have had my hands, I would have none but good men about the place. Everything should be honest and above plundered. What have you to say? board; and so it fell out that I was | His lips moved, but no words walking back to my room through the yard, at 7 o'clock that bright 'Nothing? Well, I have a little

the lining of which can be taken out for cleaning thereby doing away with the removing of pipe or oven as is the trouble with other stoves.

A. C. MCL6211.

the yard, at 7 o'clock that bright summer morning, meaning to do a couple of hours' writing and accouple of hours' writing and account reading, when I heard the squeaking and creaking of the wheel in the well-house with its but you must leave here; and I can be a sixther trouble with other stoves. high-pitched roof. I turned sharply, entering the mad as to throw away so good a great stone-paved wet place, where a man was grinding away on either Oh, for God's sake, forgive me,

a man was grinding away on either side of the opening, and came plump—that's the correct word, and his appearance justified it—upon Brayson, the butler, standing there, slowly sipping a tumbler of water, and looking as clean-shaven and smooth as if he were by the sideboard in the dining-room, waiting at one of the meals.

Oh, for God's sake, forgive me, sir ! he cried passionately, and cry-ing now like a child. I'll confess everything, sir. The plate is all tight, sir—I swear it is, sir; but I did take a little wine.'

'A little, man! hundreds of dozens are missing!'

Yes, sir, it's true, sir; but have marging at one of the meals. ing at one of the meals. 'Good morning, sir.' 'Morning, Brayson. Stop! Look here, my men, why, in heaven's name, don't you grease that whcel?' tempted, sir. No one ever wanted

The men ceased turning, and the to know about it before in all these one nearest touched his forehead. 'Be no good, sir. Her squeal 'And gain dreckerly, all on account o' has come.'

Never have been greased, said to me. You know it is. I can get another place with a the man on the other side, slowly, never get another place with a and in a way which seemed to say: character like that. I'll be the best What business is it of yours? of servants, sir. I'll be your slave, sir, and I'll confess everything, sir, What business is it of yours?' norning, I said sharply. 'The and show you what's been going whole of the machine is caten up on in the stables, and at the farm with rust. Where's your common and in the garden, and about the

sense, men? Why, your work will hares and fezzans, sir.' hares and fezzans, sir.' I can find out for myself,' I said often, Brayson?' I said. * sternly! 'and Lord Gurtleigh wants Every morning, sir,' he replied, obsequiously. 'Winter and summer, I always have a glass of this water first thing. Finest drink in Mr. Lester, sir, have mercy on me. the world for your health. Will Indeed I'll turn over a new leaf.' you try a glass, sir?' Then go and turn it over, man,

'Well—yes.'
Before I had finished speaking he was rinsing the tumbler in a freshly filled tub; then, taking a clean napkin from his pocket, he wiped and polished it, finally, as one of the buckets rose out of the buckets rose out of the black vaporous depths of the openblack, vaporous depths, of the opening enclosed by the framework of down, and stood with his face the winch, he signed to the men to stop, and dipped the glass full, holding it for a few minutes in the more composed, I said quietly. cpen doorway, while a frosty dew There is cold water in that carafe;

rapidly formed on the outside of take some. Don't let the servants the tumbler. 'There sir,' he said, solemnly, and he handed it to me as if it were a class of his lordship's choicest
