Revised Every Monday for the Weekly Sun.

COUNTRY MARKET.

Fresh pork is a shade easier as larger supplies come to hand. Mutton and lamb are easy, beef steady. Poultry is a little lower. Apples are cheaper. In fact, the market generally has an easier tone and business last week was rather dull. Butter may be said to be steady, also eggs. The supply of garden truck last week

FISH. and other kinds of dry fish may folschooner men are not able to agree off-hand. The Magic has between 300 and 400 qtls. cod and pollock, the E. W. Merchant and the Laura I. 150 qtls. each. Merchants are not eager to buy, and the schooner men are trying hard to hold the price up. The Laura I. has on board 200 bbls. Shelburne herring, which had not been disposed of Monday. Arrivals of fresh fish have been small of late, though fairly good fishing is reported down the bay.

LUMBER AND LIME.

Timber News of Sept. 15th says trade is reported flat in Liverpool and in Liverpool, but of waney pine, pitch-There is an easier feeling in dry pine, oak and ash the supply is exces fish, and the trade is not disposed to sive and restriction of imports called pay as much ex-vessel as has been for. At Fleetwood a large quantity paid for some weeks past. Quotations of spruce had gone forward ex-ship, for large cod are marked down a little and several other cargoes were on the way. At Bristol prices of spruce deals low. It is difficult at the moment to c. i. f. were a shade lower, the buildgive an accurate quotation, as several ing trade was very dull and a quiet vessels are in port and merchants and winter was predicted. At Dublin the demand for spruce deals was about the usual average, but merchants were complaining. Trade was quiet at Glasgow, affected by the coal strike. The stock of birch logs was limited. There is an improved feeling reported from New York, Boston and other American cities, but it has not yet

affected prices. In the local market there is nothing new to report further than that there is considerable activity at the mills and vessels destined for British ports are making haste to get away before Oct, 1st brings the winter deckload law into force. Shipments of lime to

Having been appointed Agent for the City of St. John for the

Celebrated Standard Patterns!

I now take great pleasure in placing them before the public. Being for some time connected with the Butterick Patterns I am in a position to state that

THE STANDARD PATTERN Surpasses All Others! IN EVERY DETAIL.

Before taking this agency I had it subject to the most expert examination and the result was even more satisfactory than expected.
