"I was a terrible sufferer from Dyspepsia and Constipation for years. I had pain after eating, belching gas, constant headaches and did not sleep well at night. I lost so much weight—going from 185 pounds to 145 pounds—that I became alarmed and saw several doctors who, however, did me no good. Finally, a friend told me to try 'Fruit-A-Tives'."

"In a week, there was improvement. The constipation was corrected; and soon I was free of pain, headaches and that miserable feeling that accompanies Dyspepsia. I continued to take this splendid fruit medicine and now I am well, strong and vigorous."

Always Had Headaches

Liver Was Torpid and Biliary Spells Brought Sick Headaches—Lost Much Time, But is Now Completely Cured.

Newtown, N.S., Feb. 8—Here is convincing evidence that however much you may suffer from liver trouble and consequent biliousness there is cure in the use of Dr. Chase's Kidney-Liver Pills.

Overeating is the most common cause of sluggish liver action. You may have a bloated, distended, bilious appetite, usually accompanied by headache and vomiting, the bowels become irregular, constipation and biliousness alternating, digestion is upset and you get irritable and downhearted.

No treatment so quickly awakens the action of the liver and bowels as Dr. Chase's Kidney-Liver Pills. For this reason this medicine is wonderful by popular and has enormous sales.

Mr. Charles R. Tait, Newtown, N.S., writes: "I was nearly always troubled with headaches, and would often have to stop work for a day or two. I lost many a night's sleep every month with bilious sick headaches, and although I tried doctors and medicines it was without success. When I had these headaches I would vomit, and could keep nothing on my stomach."
