

HON. MR. BYRNE WANTS "SPECIAL FEMALE VOTERS' LIST" PREPARED

Discussion on Enfranchising Women Brings Out Interesting and Witty Discussions—Half-Hints That General Election Will Soon be Called—Opposition Welcomes the Move.

Fredericton, April 10.—The House went into committee this afternoon on the bill to enfranchise women. Mr. Leger, (Westmorland) in the chair, took up consideration of the bill to extend the electoral franchise to women and to amend the New Brunswick elections act.

Hon. Mr. Byrne, in reply to a question by Mr. Messer, said the act provided for the preparation of a "special female voters' list." It was proposed to have that done in the month of June, and the revisors would make up the regular list in the autumn as was now the custom.

Mr. Baxter said that he was a little puzzled as to the meaning of the term "special female voters' list," and possibly it might be due to his lack of knowledge of the act. He said he had been told that the list was to be made up of the names of women who were married, and he thought that was a mistake. have more time in which to prepare the list. A fortnight would be insufficient, for the sake of the voters' list will be at least doubled. The time would extend from May 9th to June 12th. It must be remembered that there would be no assessment lists to which revisors could refer, and lists of women's names used in the last Dominion election were incomplete.

Hon. Mr. Byrne, considered the suggestion a good one, and said he would let the section stand for the present. He also asked for an expression of opinion by the members of the committee as to whether the special list should be prepared or not.

The expense would be heavy and could be avoided by deferring the matter until the preparation of the regular voters' list.

Mr. Campbell said the expense of preparation as to the special list of female voters was absolutely unnecessary. The preparation could wait until the ordinary lists were made up. As a matter of fact the matter would hardly be in the hands of the public before June or July, and the preparation of the list would merely be a waste of public money.

Mr. Baxter said the whole thing turned on what no person on his side of the House knew, and could not say. He said that he had been told that the list was to be made up of the names of women who were married, and he thought that was a mistake.

DELEGATES AROUSED OVER RUMORS

Reported Terms Were Not to go Before Plenary Conference Until After Being Presented to Germans.

Paris, April 10.—(By the Associated Press)—The publication in Paris today of a statement attributed to British sources to the effect that the terms of the peace treaty would not be presented to a plenary session of the peace conference until after they had been communicated to the Germans caused comment among delegates of the nations not represented on the council of four.

The publication brought out from the American mission the statement that it was opposed to such a plan.

WHY CANADA MUST FINANCE HERSELF

Canada must finance herself, if for no other reason than that the great majority of countries that formerly invested annually millions of dollars abroad, have forbidden the use of money for such purposes, until their domestic demands for capital have been satisfied.

In the British House of Commons recently, the Chancellor of the Exchequer said that as long as domestic demands for new capital, both for

Mr. Burchill on the item of \$10,000 for Public Hospitals, said that the Chatham Hospital had done good work during the recent epidemic, but had suffered a loss of revenue thereby, and if the government could see its way clear to add to the grants for this and other institutions he was sure they would have the support of both sides of the House.

Mr. Sweeney said that the Moncton Hospital served the counties of Westmorland, Kent and Albert, and also they received patients from York and Sunbury. When the number of patients was compared the grant was a bagatelle compared to that given to St. John.

Mr. LeBlanc believed that no hospital except that in St. John served more counties than the Campbellton Hospital. Last fall this hospital was burned down, and he urged the government to double their grant for this year.

Mr. Potts said that if the government kept on starving its service employees and the teachers of the province, more hospitals would be needed to care for these people. The whole list should be revised from the ministers downward, even the minister of public works should get more money as the present salary for the minister was ridiculous. He would be glad to see the salaries of all ministers doubled. He complimented the Health department for having the courage to pay \$5,000 to secure a properly qualified man. He was sure the public would not complain of expenditures for increased salaries.

Hon. Mr. Foster—"We might double the Moving Picture tax." Mr. Young said he wanted to make a claim for the Fredericton Hospital, which served York, Sunbury and Queens counties. Its efficiency was well known.

Mr. Tilley on the item of \$18,000 for general printing, asked how this amount was to be expended.

Hon. Mr. Murray said that it would be in about the same way as last year.

Hon. Mr. Foster said that it was not reasonable to ask for details on an item of this kind. Last year's reports would show in a general way how the money was expended.

The committee reported the resolutions passed and asked leave to sit again.

NO FREIGHT IN GERMANY FOR SHIPS

Berlin, April 9.—By the Associated Press—The first Entente food ships that reached Germany had to leave in ballast on their return trips because in all Germany there could not be collected enough freight to load them, it is announced in semi-official quarters. Neither was it possible to re-coal the steamers completely. The announcement concludes by propounding the question as to how long the Entente will be willing to deliver food under such conditions.
