**To Wash Away Those  
Wrinkles and Crowsfeet**  
If your face is disfigured with wrinkles,  
no matter what the cause, you can  
quickly dispel every line, even the most  
obstinate, by using a simple, home-made  
wash lotion. Merely dissolve an ounce  
of powdered axatite in a half pint weak  
hazel—(ingredients found in any drug  
store)—Bathe the face in this solu-  
tion—You scarcely believe your own  
eyes when you look into your mirror and  
behold the marvelous transformation.  
The remarkable astringent action of  
the axatite so tightens the skin, wrinkles  
are literally pressed out. Best of all,  
this result is not purely temporary, for  
the lotion also has a healthful tonic  
action, which tends to strengthen and  
tone up the weakened tissue, and added  
benefit may be expected with con-  
tinued use. The treatment takes but a  
few minutes. It is the most delicate  
skin. The treatment leaves no  
trace—no one guesses the secret of  
your increasing youthful appearance.

**Just Apply This Paste  
and the Hairs Will Vanish**  
(Bonded Secret).  
The judicious use of a delicate  
paste insures any woman a clear, hair-  
less skin. To prepare the paste, mix  
a little of the powdered delatone with  
some water, then apply to the objec-  
tionable hair for 2 or 3 minutes.  
When the paste is removed, and the  
skin washed, every trace of hair will  
have vanished. No pain attends the  
use of the delatone and it will not mar  
the most sensitive skin, but to insure  
results, see that you get real delatone.

**To Wash Away Those  
Wrinkles and Crowsfeet**  
If your face is disfigured with wrinkles,  
no matter what the cause, you can  
quickly dispel every line, even the most  
obstinate, by using a simple, home-made  
wash lotion. Merely dissolve an ounce  
of powdered axatite in a half pint weak  
hazel—(ingredients found in any drug  
store)—Bathe the face in this solu-  
tion—You scarcely believe your own  
eyes when you look into your mirror and  
behold the marvelous transformation.  
The remarkable astringent action of  
the axatite so tightens the skin, wrinkles  
are literally pressed out. Best of all,  
this result is not purely temporary, for  
the lotion also has a healthful tonic  
action, which tends to strengthen and  
tone up the weakened tissue, and added  
benefit may be expected with con-  
tinued use. The treatment takes but a  
few minutes. It is the most delicate  
skin. The treatment leaves no  
trace—no one guesses the secret of  
your increasing youthful appearance.
