CHATHAM

Chatham, N. B., March 29.—Allan Mann, proprietor of the Albert House was this morning convicted of a subsequent offence against the Scotch Act and sentenced to two months in jail.

Caledonian division Sons of Temperance of Douglasstown last evening elected W. P. Richard Atkinson; W. A. Wm. Brantford; R. S. David G. Bass; A. B. S. Harry McCosh; E. S. R. H. Jesman; Treasurer, Miss Maude Wood; chap, Miss Helen Gray; con., Chesley Gray; A. C. Dudley McCosh; S. Herbert Russell; O. S. Clarence McKenzie; S. W. P. W. Herbert Russell; P. W. P. Harold Stohart.

The funeral of Michael Hickey took place this morning at 10 o'clock in the cathedral and was attended by many Bishop Barry celebrated Mass and was assisted by Rev. Fr. O'Keefe as deacon, Rev. Fr. O'Leary as subdeacon and Rev. Fr. Hart as master of ceremonies. The pall-bearers were James Desmond, B. M. Moran, Roger Flanagan, James Curran, J. F. Connors and J. J. Sullivan.

Chatham, March 29.—Shortly after 10 o'clock on Monday night a fire was discovered in the basement of the J. D. Craghan Company's store, caused, it is thought, by the dropping of some light ashes into a waste bin. Good deal of smoke was caused, but no damage was done.

Chatham is mourning many old residents who have passed away during the last few days. Among them are Mrs. Elizabeth Hawbolt, widow of Captain Hawbolt, who died on Sunday at the convent, aged 89 years.

Michael Hickey, one of the oldest and best known merchants in the town, who died on Monday after a few days' illness of pneumonia, aged 60 years; Mrs. Rebecca O'Kane, widow of Thomas O'Kane, and daughter of the late Hon. M. Cranney, aged 78 years; Mrs. Bridget Ross, widow of Frederick Ross, of Black River, aged 72 years; and George Smith, who died on Tuesday after only a week's illness of pneumonia.

A movement is on foot among the members of the cadets' corps to raise funds to provide themselves with uniforms. The amount required is said to be about \$125.

An impudent thief was committed some time during Monday night, from the store kept by Mrs. Reuben of the street.

Interest is beginning to be manifested in the forthcoming civic elections which will take place on April 18. An effort is being made to form a citizens' ticket, but so far it has met with little success, and it seems, so far as can be judged at present, that while there will probably be no death of candidates, they will all run as independents and not as members of any particular ticket.

There is a considerable feeling of dissatisfaction in many quarters over the manner in which some of the town's affairs have been administered since last year, notably with reference to the enforcement of the Scott act. From the taking of the present position on this act was widely enforced as a producer, and the salaries of the entire police force were paid out of the fines received. In addition to their salaries, the policemen's clothes were also paid out of the fund, likewise one-half of the salary of the police magistrate.

The present council adopted other and more drastic measures, and there have been several cases of imprisonment for violation of the act. The result is that there is a deficit on Scott act account for the last year of over \$1,000, which will have to be met by assessment. At the same time it is claimed that there is just as much liquor being sold in the town as ever there was. A determined effort is likely to be made to get a council which will revert to the old method of licensing, and considerable reluctance manifested by citizens to stand for mayor. Ald. Cassidy has been strongly urged by many of the business men to allow himself to be put in nomination, but he declines, although he will re-election as alderman. Ald. Halley has announced his intention of standing for mayor, but his candidature is not accepted to a large number of ratepayers. Civic matters have created more interest this time than has been the case for several years.

MONCTON

Moncton, N. B., March 28.—(Special)—In the police court this afternoon John Allen, hailing from St. John, was sentenced to six months in jail on a vagrancy charge, but the sentence was suspended. Allen being given a chance to return to St. John.

The committee canvassing the city for \$2,500 to aid the movement in connection with the Scott act.

LONG STANDING SCIATICA

Completely Cured by One Box of Father Morrissey's No. 7 Tablets.

Sciatica is hard enough to endure, and harder still to cure, in many cases, with ordinary remedies. Caused, like rheumatism, by impurities in the blood, which in this case set up an irritation of the sciatic nerve, it is so difficult to get at with external applications that many sufferers try in vain to get relief.

Mr. Charles McCachers, of Summersville, P.E.I., was in just that position until he started to take Father Morrissey's No. 7. He writes: "After trying several doctors and spending large sums of money without avail, I was completely cured of Sciatica of long standing after using one package of your Medicine (No. 7 for Rheumatism)."

No matter how long you have suffered from Sciatica or Rheumatism of joints or muscles—no matter how much medicine or liniment you have used without result—try Father Morrissey's No. 7 before you give up. It has restored health to many who were almost hopeless.

50c. a box at your dealer's or from Father Morrissey Medicine Co., Ltd., Montreal, Que.

Moncton, N. B., March 29.—Moncton police are endeavoring to solve the mystery surrounding the disappearance of Joseph Doucet, of Rogersville, Northumberland county, who announced his intention of committing suicide.

Adrian Doucet has made search of Moncton boarding houses but no trace of the missing man has been found.

Doucet is forty years of age. He has three small children. He is a native of P. E. Island. He left his home in Rogersville nine days ago, going to Campbellton looking for work and coming to Moncton last week. Once before while dependent, it is said, he attempted to end his life.

Moncton, N. B., March 29.—The Moncton police have been working today on the mysterious disappearance of Joseph Doucet, of Rogersville, who wrote his wife in Moncton intimating that he intended doing away with himself because of being unable to find work.

From information received by the police, Mr. Doucet is apparently still alive and well. Charles N. Vincent, who resides on the Shediac road, notified the police that while driving into town tonight he overtook Doucet and gave him a ride.

Doucet told him a hard-luck story and upon arrival at Lewisville left Vincent and went to Irish Town road looking for work. From this it would appear that the living and the police will tomorrow investigate the Irish town end of the story.

Information from Grand Digue, Kent county, states that the quarantine for the last week in cases at that point will be raised tomorrow.

HOPEWELL HILL

Hopewell Hill, March 28.—The wedding took place at Albert Mines on Wednesday evening of Fred Steeves, son of the late Richmond Steeves, and Miss Myrtle Woodworth, daughter of Councilor Woodworth. Miss Janie McGorman has been visiting relatives in Moncton and Sussex for the past week.

Hopewell Hill, March 28.—The big rain last night caused heavy freshets and has destroyed the sledging on the front roads.

The extensive repairs to the big Presbyterian mill at Albert, which have been in progress all winter, are pretty well completed, and the mill is expected to begin sawing on the season's cut about the middle of next month. Many alterations and improvements have been made and steam power has been installed in the whole of the establishment, where formerly part of the machinery was run by water. Mr. Prescott will have this season about the ordinary cut of between three and four million feet.

One of the finest cuts of logs seen in the county in a long time has been broved this winter by Alexander Rogers. The logs are of the old-fashioned size, seldom seen nowadays, and are much admired by old timers who recall the days of the big timber.

Mr. Rogers' sons are James, Oliver, and Archie Barkhouse, who has been getting Capt. H. Turner's logs at Mountville, has about finished the season's work. The logs are broved close to the railway, where they will be sawed.

There has been a large amount of lumber cut in Albert county, where the logging conditions, during the greater part of the season, being favorable. Crews were able to work about two months without losing a single day on account of bad weather. The price in prospect for lumber this spring are reported very satisfactory for the sellers.
