instructive reading. A few months ago we weeded out about 50 books which had done long service, and sent them, by request, to the Rev. Mr. Coboue, who is doing Mission work at Joliette, Que. We are at present engaged in making an addition of from 50 to 100 new books, which, we trust, will make the department still more effective

The Scholars have, as usual, been supplied with various Sabbath School Papers, and the Teachers with the *Sunday School Times*, as heretofore.

The Rev. Mr. Fleck, not being able to resume his Young Men's Class at the re-opening in September, Prof. Campbell kindly undertook to conduct a Bible Class on Sunday afternoon in the Church during school hours. This class, we are happy to report, is being very well attended.

Our Annual Soiree was held Feb. 3rd, and was very largely attended by the Scholars and their friends. A social gathering and Magic Lantern Entertainment was also provided for the Scholars at the re-opening of the School in September.

The usual Sabbath School Pic-nic was held June 15th, at Isle Gros Bois. Owing to the unfavorable state of the weather it was not quite as enjoyable as we would have wished, but all arrived safely home, seemingly none the worse for the many showers which had taken place during the day.

We have lost, during the year the services of several Teachers, who, for various reasons, were compelled to relinquish their labours with us; we are, however, thankful to be able to report that we have also had the good fortune to have their places filled by others, thus leaving us well equipped for the coming year's work.
