The Women of Canada are Quick to Appreciate a Good Article

Every Lady in the Dominion wants a MELISSA wrap of some style. Costing only a trifle (about \$1.50) more than ordinary wraps of similar material, they are at once the most useful and most economical garments of the present day, because they are really two in one, being a rainproof garment as well as a stylish and comfortable wrap.

MELISSA wraps should not be classed with ordinary waterproofs. They are made up in all the latest styles, out of fine soft woollen materials (rendered thoroughly rainproof by the MELISSA process): beautifully finished, and they fit to perfection, as only tailor-made garments can.

Many ladies have written us asking for information, patterns, etc., etc., but as we do a strictly wholesale manufacturing business, cannot, in justice to our many customers, sell directly to anyone not in trade. Desiring, however, to give all information possible and place our MELISSA wraps within easy reach of every lady in the country, we invite direct correspondence, and will, on receipt of a letter from any lady, giving the name and address of the merchant with whom she deals, at once send that dealer a full range of our patterns, catalogues of designs, and other necessary information.

If there is no local dealer that will take the trouble to serve her in the way we suggest, we will place her in communication with one of our most reliable customers in some other place, who we can guarantee will be only too glad to give her every possible attention.
