

What One Woman Does

Every Tuesday she takes her basket of clothes, ironing board and her Electric Glad Iron out to the verandah and sits down while she does a whole family ironing in cool comfort. She does better work and she saves her strength for her other duties because there's no hard rubbing. "Why," said she when she called at the demonstration office, "there's no comparison between the old and new way of ironing. All the drudgery has gone out of it." But imagine sitting down to an ironing! Did you ever hear of it before? That just gives you an inkling of what the Electric Glad Iron does for you. Step to the phone and ask about our 30-day free trial offer. Call the Summer Comfort Number,
