

The Bears hope to see Mark Brus score like this against UBC T-Birds at Vancouver on Saturday.

Gridiron Bears playoff at UBC

by Alan Small

Big games like the one this weekend between the Alberta Golden Bear football club and the UBC T-Birds are usually given an

Something like "The Thrilla in Manila."

Well maybe not. But that doesn't mean that it isn't a big game. It's so big that one could probably think of one hundred cliches about the

All the marbles are on the line. The chips are down. The bets are laid. You know what I mean.

The U of A makes the trip across the Rockies and will take on their arch-rivals from the coast, the UBC Thunderbirds. The Western champion-ship will be on the line.

UBC has dominated the WIFL this season, finishing with an unblemished mark of 8-0. Last year, the year they won the Vanier Cup, they also had a mark of 8-0.

they also had a mark of 8-0.

If one looks back on the last time
UBC lost a football game, it
happened right here at a frigid 16
below Varsity Stadium when the
Bears defeated the T-Birds 38-13.

Bears defeated the T-Birds 38-13.
The story of that game was UBC head coach Frank Smith yelling to Bear coach Jim Donlevy "We're playing for fun, Jim, we're only playing for fun," when UBC found out they couldn't make the playoffs.

No one will be playing just for

fun on Saturday though. The Bears, led by their ferocious running attack, will try to halt UBC's winning streak of 19 games.

In their previous engagement, which was in Vancouver, squan-dered chances and untimely penalties by the Bears led to a 10-5 UBC victory. The score was not typical of the play, though, as the Bears controlled that game on both sides of the ball. of the ball

The game will be a classic show-

down of the veteran boxer and the young brawler. UBC must depend on the experienced passing of quarterback Jordon Gagner, while the Bears must counter with their emotional "up the gut" running style.

PILING ON: UBC crept back to the number one spot nationally with last weekend's victory over the Saskatchewan Huskies. In case you thought upsets don't happen in Canadian College football, Guelph, who lost by twenty points to Western just a week earlier, de-leated the former number one ranked team when it counted, in the OUAA semi-final, 22-20. The winner between Guelph and Wilfirld Laurier would play against he WIFL winner for the Western bowl. The west has the game the Bears pull off the upset, they'll host it a week from Saturday.

PART-TIME INSTRUCTORS FOR Computing Services Courses

Computing Services offers a noncredit training program on the use of MTS, TEXTFORM and microcomputers.

The department has openings for instructors. Anyone with experience as a user of MTS, or the IBM PC including Lotus 1-2-3 and MultiMate Advantage is invited to apply. Also required is the ability to relate well with new users and to explain the basics in clear and simple fashion.

Applicants should be available to teach some daytime and evening sessions. The salary for these teaching positions is \$15.87 per hour.
