PERSONALS

A Happy Birthday wish to Nandini. To my amiga from way, way back in junior high, I hope you have the coolest, most amazing Birthday ever (even though you're always off vacationing somewhere exotic when its time for MY Birthday!)

To Trudy (the most beautiful girl on campus): I'm sorry I told you that it wasn't me who wrote you the note but I didn't want to admit it in front of Mike. I'm very sorry for not telling you the truth. I really do care for you and I hope we can go out sometime. Love Peter.

To Jennifer Bent: I'm not going to tell you my name but I "think" you are very beautiful. You are in two of my classes and everytime I see you, I'm amazed by your beauty. I hope I get the chance to meet you sometime. Love the Blonde haired guy!

To Neville House Committee: Thanks for Friday night. You guys are just "too sexy"! The surprise on Monday was really thoughtful. Thanks again. Lady Dunn House Committee.

To my beautiful Scottish girlfriend: I am very glad that you are back in town. We have a lot of catching up to do. Love Gummy.

Special Thanks goes out to Monica Gaudel and Mike O'Pray of Moosehead Breweries for their help in making the Regulators 4 on 4 Volleyball Tournament a huge success. We appreciate all your help!

Orientation '93 would like to thank Mr. Doug McConnell, manager of the Bookstore, for the

use of the popcorn machine on Loonie Wednesday. Thanks Again!

Attention Chess Players! Casual play is hosted every Tuesday night from 6-11pm in Room 26, beside the SUB Cafeteria (open to everyone). Upcoming events include a seminar on selected Fisher-Spasski games (Thur. Oct. 15 7:30 - 9:30) and a Novice Tournament (Sunday Oct. 18, 12:45 - 5:00) Check it out!

Happy Birthday Anne Baxter! We wish we could celebrate with you. Lots of love from Rachel, Paul, and Teddi.

Mr. 4th year science. The dance was sweet until you threw your spaghetti all over me. Thanks for the memories Einstein! The girl from the Dunn Social.

**Cost-effective tools for professionals.
From Texas Instruments.**

Engineering professionals need the latest and best tools available. Texas Instruments offers two: The TI-68 for around \$70* and the TI-85 for about \$180.* Both calculators are loaded with the functions you can use every day. And both are incredibly good values for the money.

The TI-68. A remarkably powerful, yet cost-effective calculator, the TI-68 solves up to five simultaneous equations with real or complex coefficients. Evaluates 40 complex number functions and shows results in polar or rectangular forms. Features last equation replay and

formula programming. And that's just the beginning.

The TI-85 Graphics. Taking the functionality of the TI-68 and building on it, the TI-85 adds a wide range of capabilities. It graphs, analyzes, and stores up to 99 functions, parametric and polar equations, and a system of nine first-order differential equations. Features a powerful one-equation SOLVER. And offers 32K bytes of RAM. A handy I/O port even allows data transfer between two TI-85s, as well as to IBM® or Macintosh® PCs.

No matter which TI model you choose—the TI-68 or the TI-85

Graphics—you can be sure you're getting the latest and best in calculator technology. At a price you won't mind paying.

See the TI-68 or TI-85 at your nearest TI retailer. For further information, call...Ont. (416)884-9181, Que. (514)336-1860, B.C. (604)278-4871 or toll free 1-800-661-2007.
