

PLACE	DATE	TIME	SUMMARY OF EVENTS	REFERENCE TO APPENDICES
Camp Borden, Ont.	24 Oct/45 (cont'd)		<p>Our 9th Victory Loan campaign went over the 100% mark when today's completed returns showed a total of \$59,650.00 already subscribed. This, however, does not mean that our sales committee are going to relax. They are already thinking about the day in the near future when they hope to reach the 150% point.</p> <p>The usual Wednesday night informal dance was held in the W.D. Lounge and was enjoyed by W.D.'s, airmen and officers alike.</p>	
	25 Oct/45		<p>0830 hours, ceiling and visibility unlimited. Flying washed in at 0900 hours and washed out at 1700 hours.</p> <p>Our Victory Loan total subscription has now reached \$68,150.00 which is 124% of the quota. Sales have slowed down slightly as was to be expected, but the committee are still quite confident that the \$100,000.00 mark can be reached. It has been found that the purchasing of bonds from the war service gratuities has been popularly accepted by most personnel, especially those with fairly large gratuities resulting from overseas service.</p>	
	26 Oct/45		<p>0830 hours, ceiling and visibility unlimited. Flying washed in at 0900 hours and washed out at 1200 hours due to rain.</p> <p>A Commanding Officer's Parade and Inspection took place on the parade square at 0800 hours. Our Commanding Officer, W/C D.G. Malloy, DFC, took the salute and made an inspection of the flights.</p> <p>Today's sales of victory bonds brought our total to the sum of \$72,450.00 or 132% of the quota.</p> <p>The squash courts in the rear of the Officers' Quarters which for some time have been practically unused, are now seeing a little action. Under the expert instruction of our Commanding Officer several of our officers are getting very interested in the game.</p>	
	27 Oct/45		<p>0830 hours, ceiling and visibility unlimited. No flying all day.</p> <p>Being Saturday our Victory Loan campaign slowed up considerably with sales of only \$1050.00 for the day. The station has now subscribed 135% of its quota. Besides WO1 Sawyer and WO2 Lacey, two of our other star salesmen are Sgt. O'Brien of the Fire Dept. and Cpl. Curtis of Works and Buildings. These two NGO's have worked hard and steadily throughout the campaign, and are to be congratulated for their good work.</p>
