L.G. McPhillips, Esq., K.C.,
Union Bank Bldg.,
Vancouver, B.C.

Dear Mr. McPhillips:

Many thanks indeed for your kind words
with regard to my speech as delivered on the 2nd June.
From all parts of the country we are getting good news and
the tide seems to be rising steadily against this Government.
Even from the prairie West the news is the most encouraging
it has been in many years.

Yours very truly,
