PERSONAL

Dear Mr Atkinson,

Knowing as I do of the splendid service you rendered in the campaign of last year on my behalf I write to solicit your active help in the present campaign.

As you can readily understand it is impossible for me to spend more than a couple of days in the riding and consequently I depend wholly upon the loyalty and enthusiasm of the friends of our cause and on my personal friends in the riding. I thank you most cordially for what you have accomplished and will appreciate more than I can express your best effort at the present time.

Yours truly

William Atkinson, Esq
Bickens P.O., Man.
