now

AN exclusive residential sub-division richly endowed with natural beauty which has already attracted a large number of Winnipeg's wealthiest citizens who have secured lots for building purposes.

St. Vital Heights is also attracting investors who have made big profits in Crescentwood, River Heights and other high-class districts. This is the class of property that makes handsome profits for investors.

St. Vital Heights is located in the most popular suburban district of Winnipeg which is now the centre of interest among investors.

Call at our office, or phone, and we will take you out to St. Vital Heights in our auto.

Prices, \$13.00 to \$18.00 per foot. Terms to suit purchaser.
