

room to show their stocks and give quick, prompt shipping service. The company also maintains an agency at New Westminster, B.C. The Livestock Department has offices in the Winnipeg, Calgary and Edmonton Stock Yards. At Winnipeg, a four-story brick warehouse was built at 145 Market St. East, in 1916. Another distributing warehouse on 12 acres of land has been built in Elmwood on the north-eastern outskirts of Winnipeg, which has a storage capacity of 160 cars, also exceptional shipping facilities. In Calgary, the company has two warehouses on Eighth Ave., and a new one is being built. The large warehouse in Regina is located on Dewdney Ave. These warehouses give good distributing service to the three provinces. Other warehouses will be built as the company finds them necessary.

NUMBER OF EMPLOYEES.

Over 850 employees are needed to carry on the company's business. Two hundred and fifty of them are in Winnipeg; 180 in the Calgary offices and warehouses; 16 in Regina; 90 in Fort William, and 11 in Saskatoon. Country elevator agents number about 300 with additional assistants when necessary.

GRAIN COMMISSION DEPARTMENT.

The organization in this, as in the other departments, is in good shape to handle the farmers' shipments in a business-like way. Quick acknowledgments and returns
