

TO THE SUBSCRIBERS
OF THE
QUEBEC DIRECTORY
AND
TO THE PUBLIC GENERALLY.

THE Undersigned begs leave to call the attention of Newspaper Proprietors and others who may require his services, to the fact that he is, as heretofore, prepared to give prompt attention to the collection of accounts.

Being intimately acquainted with the Upper and Lower Province of Canada, and having the benefit of an experience of twenty years in this particular line of business, he feels confident he can give satisfaction to all parties who may entrust him with accounts for collection.

All orders addressed to him, Box 701, Post Office, Montreal, will receive his best and immediate attention.

G. H. CHERRIER,

Publisher of Quebec Directory.

Montreal, July, 1860.
