## Slate Roofers

... AND DEALERS IN ...

Office,

### Canadian and American Slate

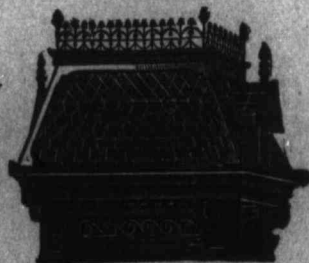

Wish to call the attention of farmers and parties about to build, touching the quality of the slate they use. They are of a beautiful dark blue color, and are remarkably uniform. They split evenly, and punch without scalp. They are a strong slate with the grain; they will not tarnish or decay, nor be in anywise affected by the weather, and when laid on felt

Will last for 100 Years.
