Fifth Year, No. 11.      QUEBEC      November 1913

## Vicariate Apostolic of Ounyanyembe.

—  
*Mgr. Henri Léonard, Vicar Apostolic. (1)*  
—

The year which is nearing its close has been one of blessings, thanks to the Master of Apostles and the Queen of Africa. The progress made in the different stations has been substantial, although unequal. We cannot say that there have been no difficulties—where does the missionary not find them? In spite of these difficulties, and perhaps on account of them, the work of God goes steadily on in Ounyanyembé.

(1) Mgr. Léonard succeeded Mgr. Gerboin, who died June 27, 1912.
