

## Illustrate Biblical History By Means of Good Maps

THE importance of visual instruction has long been recognized by leading educationists and its value is just as great in Sunday Schools as in any other institution where the teaching of children is carried on.

### W. & A. K. JOHNSTON'S Grand Series of Scriptural Maps

will stimulate the children's interest and help your work to an incalculable degree. These large and beautiful Maps are of uniform size, 50 x 42 inches, and have been specially prepared for use with the Old and New Testaments. They are produced with scrupulous regard to accuracy and the coloring is of a quality only capable of such a world-renowned firm as W. & A. K. Johnston, Limited.
