Makes Hens Pay, Makes Them Lay!

The cost of a dally ration of Gardiner's Ovatum for every hen in your flock would be covered by one attra egg per hen per month. The gain from feeding Ovatum will average several times that much. Very often, especially in without Ovatum will sarriage and flock that has not been larging at all.

The 14 does by invigorating the

been laying at all.

This it does by invigorating the digestion and the reproductive organs, so that the hens get more good out of their feed, and turn more of thinto.

of it into eggs.
It will certainly pay you to feed
Ovatum. Get it from your dealer
in 25c. and 50c. packages or 10-lb.
