THE GREAT SECRET
Of the wonderful success of the
WILLIAMS SINGER SEWING
MACHINES

lies in the fact that the material used in their
construction is of a very Superior Quality, and
that extraordinary pains are taken to see that
every part is properly fitted and adjusted to its
position.
Ladies who have used our Machines for four-
teen or fifteen years have noticed with extreme
satisfaction that they have not been subjected
to the irritating annoyances endured by persons
using other machines, such as skipping stitches,
breaking threads, etc., etc.
The Williams Machines do not take fits or get
out of order, or become played out in three or
four years like some inferior machines, but with
ordinary care will last a lifetime. Thousands of
parties who have used our Machines for ten
years and upwards are continually recommend-
ing their friends and acquaintances to buy the
Genuine Williams Singer, and to take no other
Sewing Machine.
