GRATEFUL-COMFORTING.
EPPS'S COCOA.
BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette.
Made simply with boiling water or milk. Sold only in packets, by Grocers, labelled thus:
JAMES EPPS & CO., Homeopathic Chemists, London, England.

TO ORGANISTS—BERRY'S BALANCE HYDRAULIC ORGAN BLOWER.
These Engines are particularly adapted for Blowing Church or Parlor Organs, as they render them as available as a Piano. They are Self-Regulating and never over-blowing. Numbers have been tested for the last four years, and are now proved to be a most decided success. For an equal balanced pressure producing an even pitch of tone, while for durability certain of operation and economy, they cannot be surpassed. Reliable references given to some of the most eminent Organists and Organ Builders. Estimates furnished by direct application to the Patentee and Manufacturer, WM. BERRY Engineer, Brome Corners, Que.
