**THE SURROGATE COURT
RECORDS REVEAL**
that out of every Hundred widows,
only Eighteen are left in good or
comfortable circumstances ;
Forty-Seven are obliged to seek
employment of some kind,
and the remaining Thirty-Five are
left in absolute want.
Facts are cold, stubborn things, and
statistics such as these demonstrate beyond
 peradventure the great need you have for
Life Insurance for the protection of your
home. If you wish to place your widow
beyond the possibility of want, you can do
so by carrying one of our Monthly Income
Policies which guarantee her a Monthly
Income for life, or your estate twenty years
certain.
