They are Fighting—Dying for YOU What are You Doing for THEM?

F only you could be in France, close to your boy, think of the comforts you could send him into the lines, how you could hearten him for the supreme ordeal of battle.

But no-thousands of miles separate you! Not for you are his furloughs, no visits to camps for you, no privilege of visiting your boy in hospital, if need be. Few and far between are the comforts you can send across the wide seas!

Would that you had a friend over there to per-form these offices for you! Thank God, you have that friend. The Y.M.C.A. is ever at your boy's side—in camps, trains, boats, in the streets of the big city in bosntal of the big city, in hospital, behind the firing lines— and often right into the trenches, -everywhere!
