TO YOUTH GROWN OLD

(By Maurice Francis Egan)

What canst thou give, O Gifted, in return
For all the splendors that were shown
to thee?

How oft at sunrise thou in ecstasy
Didst see the sky and autumn
maples burn?

Thou canst recall perhaps when thou
didst learn
That God had made thee like to Him,
and free

To be thyself, and gave thee hope to
be

Fit for the heights for which thy soul
didst yearn.

And now, at sunset, eyes upon the ground,
Thou hast forgot, and know'st not
gratitude.

Ah, dwell upon the glory in thy day—
Its red and gold; think not upon the
mound

That shall inchoe thee, lest to thee
intrude

Self-pity and self-love to gloom thy
way!

KING GEORGE WEIGHS 160

Though it is often asserted that King George resembles the Czar like a brother, these royal gentlemen widely differ in the matter of weight. King George—broadly adheres to 160 pounds, while the Czar weighs only between 102 and 103 pounds. The late King Edward weighed 205 pounds. The weight of the German Emperor varies between 156 and 162 pounds when dressed. Part of the difference is probably due to the uniforms his Majesty wears. The weightiest monarch of Europe at this hour is the King of Bulgaria, who weighs 179 pounds. Emperor Francis Joseph weighs 153 pounds. The weightiest Queen of Europe is the Queen of Roumania, who tips the scales at 157 pounds.

Go not half-way to meet a coming sorrow.

Bottle thankful bee for blessings of to-day.

And pray that thou mayest blessed bee to-morrow.

So shalt thou go with joy upon thy way.

SQUARE PEGS IN SQUARE HOLES

When you have found your place—
You will be happy in it—contented,
joyous, cheerful, energetic.

The days will be all to short for you.
Dinner time and closing time will come before you realize it.

All your faculties will give their consent to your work, will say "Amen" to your occupation. There will be no protest anywhere in your nature.

You will not feel you are wasting your time because you are only "a blacksmith" or a shoemaker or a nurse or a house-keeper, because, whatever your occupation or profession, you will be an artist instead of an artisan.

You will not apologize because you are not this or that, because you will have found your place and will be satisfied.

You will feel yourself growing in your work and your life broadening and deepening.

Your work will be a perpetual tonic to you. There will be no drudgery in it. You will go to your task with delight and leave it with regret.

Life will be a glory, not a grind.

HYGIENE THAT FAILED

They say that the reaction and after-glow of the cold morning baths are an infallible cure for neuralgia," said Mr. Shivers.

"Cold water, right out of the tap?" cried Mrs. Shivers.

Mr. Shivers smiled a superior smile.

"It is not one freezing plunge, but a gradual immersion, while you slowly count six. Like this: One, you put in one foot; two, you put in the other; three, you sink on one knee; four, you kneel on both; five, you plunge in your arms; six, you immerse your body. Yes, I shall certainly try it tomorrow morning."

Slowly and reluctantly at the appointed time Mr. Shivers crept from his warm bed, silently casting a look of reproach on his smiling spouse, and into the bathroom, and after a time she heard him say:

"O-o-o-o! Ouch! Oh! Two-o-o, O-o, o-o, o-o! Th-th-th-three!" followed by a blood-curdling yell and a tremendous splash. Then there was a succession of

Just so, one coat of good paint is worth two coats of poor. Don't deceive yourself with the idea that in buying a cheap paint you save money. Buy the best on the market. It covers more surface, looks better and lasts longer and will give you "wear" service. If you buy a cheap paint, at the end of one or two years it will have peeled off, cracked or worn away. Get best results in your painting by using and insisting on your painter using good paint. There is a dealer in nearly every town who handles Sherwin-Williams Paint. Ask him for color cards and booklets. *The Little Paint Man.*
