

VOLUNTEERS HELD THEIR FIRST CHURCH PARADE

Recruits of the 49th and 15th Regiments Attended Divine Worship at Christ Church Yesterday.

About 75 recruits who are connected with the 49th and 15th regiments, mobilized in town, attended Divine Service at Christ Church yesterday. The pastor, Rev. R. C. Blagrove, who is also chaplain of the 49th conducted service and preached. The text was taken from St. John's Gospel, 18th Chap. and 37th verse—"Every one that is of the truth heareth my voice." He said in part as follows:

Faith in Christ means (a) Faith in the life Christ lived; a belief that His life or His pattern of life is the best possible, that it leads to the greatest reward and ensures the final crown.

(b) Faith in the teachings of Jesus, so that to live according to His teaching is to achieve most, and to serve the highest end of life. In no other way can salvation be secured if we have faith in Jesus we can trust ourselves to His teaching.

(c) We believe, as we have always been taught to believe, in the law of sacrifice and service; the triumph of self-mastery; the spending of one's self for others. This we believe to be the ideal in Christian service. More than that to be expected from the individual is to be expected from the state. Germans are taught, and the teaching has gone through the whole nation, that this ideal is for the individual but not for the nation; the nation serves best by being selfish, by refusing to make any sacrifices, by seeking her own good. Her law is self-service and self interest. She is to get all she can and give nothing. The very antithesis of what we conceive to be Christianity as applied to the state. We believe the state exists to serve the citizen, Germany that the citizen exists to serve the state, and the state's first duty is to make war. One listens in vain for the Master's voice in this.

(2) We believe in honesty and honor, and the keeping of one's word, not only as a human virtue but as a Christian quality; and a man's worth is estimated by his loyalty to the truth. We believe also that the state is called upon to observe these things to a much greater degree. Germans teach that the state is to observe rules of honesty and honor and solemn pledges only in so far as they contrast with the interests of the German nation. If these limit their scope then they are wrong. It is right then to cover the world with spies, to sow the sea with mines, and to build in times of peace, and under the guise of industry, foundations upon which thundering guns can wreck our buildings and property in time of war. The nation is above such small things as honesty and honor.

(4) We believe, as we have always been taught to believe, in the law of sacrifice and service; the triumph of self-mastery; the spending of one's self for others. This we believe to be the ideal in Christian service. More than that to be expected from the individual is to be expected from the state. Germans are taught, and the teaching has gone through the whole nation, that this ideal is for the individual but not for the nation; the nation serves best by being selfish, by refusing to make any sacrifices, by seeking her own good. TRUMPETER HAY'S CAMP EXPERIENCE

Mr. and Mrs. Hay, Howard Street yesterday received a letter from their son, Trumpeter Gordon Hay, 4th battery, 1st brigade, 15th London Street, Develin, Trumpeter Hay left Belleville in August with the First Contingent, 34th battery. Conditions have not been as bright in England as many imagined, Gordon says in the letter dated January 10th. "I am getting better now, I was pretty sick for three weeks, but was all right on Christmas Day. I went to Mrs. Rushworth's (a former Belleville resident, who returned a

few years ago to England) for Christmas dinner and was there for five days and had a good time. Speaking of camp conditions he says—"It takes a lot of money to keep us warm. It is not very pleasant over here. You may think we are having a good time but we are not. It has been raining every day but four since we have been here. It takes money for coal oil, 25c a night, rubber boots \$5; rubber coat \$8; rubber hat \$1.50 and pants \$4, and we have to spend that, or perish with the rain and cold. They give each tent an oil stove. There are two of us in one of them. The stove burns two gallons every day and it takes a lot of money to keep things from getting wet and to keep us dry."

TO WELL AND BACK IN THE BIBLE WAY

Verily, Truth Is Stranger Than Fiction.

HELLS OF MODERN THEOLOGY

The Hell of the Bible Not the Hell of Theology—Bible Hell to be Destroyed—Jesus Went to Bible Hell and Returned—Every-thing Going There—Christ Died to Prevent People From Going Into Hell—Millions Had Gone to Hell For Four Thousand Years Before Christ Came—Christ's Mission Was to Rescue All From the Bible Hell, Sheol, Hades—Bible Tells How and Approximately When the Prison Doors of Hades Will be Opened—All Prisoners Shall Come Forth.

Baltimore, Jan. 24.—Pastor Russell, Brooklyn, N.Y.—requesting a copy of a pamphlet about Hell, will be promptly served free of charge. The pastor is supplementing what I am saying to you to-day. I take pleasure in giving it away free, because I know the joy, the blessing, the relief, it brings to my countrymen. I know that many after reading are enabled to love, worship and serve the great God of Love heartily, intelligently, as never before.

Our English translation comes to us from the German language—sohoehle, signifying a hole. It is, therefore, a very good translation for the Hebrew word Sheol, which signifies a pit, a hole, a grave. The New Testament Greek gives us Hades as the exact equivalent of Sheol. Whenever Sheol is translated into the New Testament Greek the word Hades is used. Thus the Psalmist wrote, "Thou wilt not leave My soul in Hades" (hell—the grave).

St. Peter tells us that these words were not true respecting the Prophet David, who used them; that he is still in Hell, in Sheol, in Hades. He says, "His sepulchre is with us unto this day." The Prophet David had not yet been resurrected. (Ephesians 2:6) The first company of captives delivered will be the Church, the Bride, the Lamb's Wife, they who will have part in the First Resurrection. Truly the Scriptures must allow the Dominion Hatchery offered will be the Church, the Bride, the Lamb's Wife, they who will have part in the First Resurrection. Truly the Scriptures must allow the Dominion Hatchery offered will be the Church, the Bride, the Lamb's Wife, they who will have part in the First Resurrection.

And that is only part of the wonderful Story. The Apostle declares that The Christ will be the "First-fruits" of Jesus' Head, and the Church His Body. Afterward will be those who become Christ's during His Presence. His Presence will last for the thousand years, as the King over all the earth; and as the antitype of the first company of captives delivered will be the Church, the Bride, the Lamb's Wife, they who will have part in the First Resurrection. Truly the Scriptures must allow the Dominion Hatchery offered will be the Church, the Bride, the Lamb's Wife, they who will have part in the First Resurrection.

Another regulation is that all white fish and salmon trout less than two pounds in weight caught in nets other than hoop nets shall be returned immediately alive and uninjured to the water whence they were taken. Lake trout, whitefish, bass, muskellunge, yellow pickerel, and speckled trout caught in hoop nets shall be returned at once to the water alive and uninjured. The licensee must not have in his possession at any time or

offer for sale at any time whitefish or salmon less than two pounds in weight. The acts of the servants or employees shall be credited to the licensee.

Power For Overseers. Fishery overseers are given power to determine where nets are to be set and the distance to be maintained between each "fishery." The licensee must allow the Dominion Hatchery offered will be the Church, the Bride, the Lamb's Wife, they who will have part in the First Resurrection. Truly the Scriptures must allow the Dominion Hatchery offered will be the Church, the Bride, the Lamb's Wife, they who will have part in the First Resurrection.

Under the new conditions licensees will also have to send a statement to the fishery overseer of the district not later than January 31, showing the amount in weight of each of the different kinds of fish caught during the season and the sale price of same.

A breach of the conditions may result in an officer seizing and destroying the nets and appliances of the licensee. All nets must have the name and address of the owner marked on two pieces of wood or metal which shall float above the water over the spot where the nets are set.

Return Fish to Water. Another regulation is that all white fish and salmon trout less than two pounds in weight caught in nets other than hoop nets shall be returned immediately alive and uninjured to the water whence they were taken. Lake trout, whitefish, bass, muskellunge, yellow pickerel, and speckled trout caught in hoop nets shall be returned at once to the water alive and uninjured.
