HINDENBURG'S APPOINTMENT

May Mean a Big Blow Against Riga and Petrograd.

By Courier Leased Wire.

London. Aug. 31.—The Daily Chronicle, in discussing Von Hindenburg's appointment expresses the belief that the change by the chief of staff means that the Germans are preparing a great offensive blow against Riga and Petrograd. "The Verdun scheme has failed," says the newspaper "the alternative scheme, a blow against Petrograd, has always been associated with Von Hindenburg. Its failure to make it the critical juncture.' So now when a new Petrograd offensive is contemplated it is natural for Von Hindenburg to be selected — when it and it is natural that he should make it a condition of the undertaking that he be appointed chief of the general staff so that the whole resources of Germany may be at his disposal.

HAS THE TIME COME FOR NATIONAL CHURCH.

One of the Questions to be Discussed by Anti-Church Unionists.

"Has the time come for a national Canadian church " is one of the questions to be considered at the forthcoming convocation of antichurch unionists which is to be held in Toronto in October. A draft of the program for the convocation will be submitted to the next meeting of the committee of the anti-union organization. Another suggested question for discussion is: "Has the time come for bringing to an end the Presbyterian Church?"

Other topics suggested are: "The Contribution of the Doctrine of the Presbyterian Church to the Religious Life of Canada," "The Contribution of the Church by its Policy and Doctrine to the Rights of the People and Democracy," "Worldwide Presbyterianism," "Presbyterianism and its relation to other Churches," "The Permanent Message of Presbyterianism," "The Recovery of the Eldership," "Presbyterianism Before Calvin," "The Problem of the Scattered" and "Presbyterianism and the Faith Delivered to the Saints."

A large number of delegates from St. Andrew's church will attend this convention, it being the only Presbyterian church in Brantford to give a large majority against union.

A fire started by boys playing near a load of hay, caused $20,000 damage at Nashua, N.H.

Mrs. Dr. A. Hamilton Rice, the former Mrs. George D. Widner, widowed by the Titantic disaster, and now the wife of the noted South American explorer, will for the second time accompany her husband on an expedition into the hinterland of the Amazon.

Bowling

Five rinks of Fernleigh bowlers, from Hamilton, played the Heathers yesterday and were defeated by 48 shots.

At the bowling tournament in Dunnville, a Dufferin rink, composed of A. F. Wicks, N. F. Sheppard, J. S. Dowling and J. B. Wilson (skip) won the Aikens trophy, a large tankard. They had to win eight games to land the goods. The individual prizes were cut glass butter dishes.

TENNIS

Forest Hills, N.J. Aug 31—Thirty-two players, including nearly all of the leaders have survived the first three days of the National Lawn Tennis tournament. Interest in the struggle for the championship increased to-day as the diminishing field improved the quality of the matches. All the others are from the east.

The greatest interest was displayed to-day in the battle between Maurice E. McLoughlin and Theodore R. Pell. From the result the spectators hoped to get the first reliable indication of McLoughlin's chance in the championship. William M. Johnston, national champion, also has a hard match before him to-day. He will meet Nathaniel W. Miles, the Boston star.

HAS HE FLED?

Rumor Is Current that King Constantine Has Legged It.

By Courier Leased Wire.

London, Aug. 31—No confirmation of the reported flight of King Constatine from Athens to Larissa has been received in official circles here, which considers it highly improbable.

The report that the King of Greece had fled from the capital and had taken refuge with a German escort of 300 Uhlans at Larissa, was forwarded from Saloniki by Ward Price, the official British representative in Greece under date of Tuesday evening. King Constantine, according to the despatches from Athens underwent a surgical operation a few days ago and has since been suffering from the effects of it.
