## OBSERVER MAN ELECTED TO PRESS CONGRESS OF WORLD

On Tuesday Fred H. Stevens of the Observer received notification that he, having been nominated, was elected by the directors to the Press Congress of the World. This to the newspaper man is somewhat like the Mystic Shrine to the Mason except in the case of the "burning sands" the sands are real, as this year's convention is to be held in Honolulu, Oct. 4-14. Mr. Stevens is eligible to go as representative of the C. W. N. A. and he is seriously considering making the trip, which is said to be the most delightful voyage in the world.

#### DONALD McINNIS

Much sympathy is extended to Mr. and Mrs. Gerald McInnis of Weaver, Victoria county, on account of the sudden death of their little son Donald, May 12, at the age of two years and eight months. The little fellow was exceedingly active at all times. Upon going about the yard he found an axe and while playing with it nearly amputated two of his fingers which resulted in his passing from this life, the flower and light of that home.

Funeral service was held by Rev. A. Hatfield at Linton Corner, interment taking place in near by cemetery.

#### RED CROSS

A meeting was held in the Methodist church on Tuesday evening in connection with the re-organization of the Red Cross work. The meeting was presided over by the Mayor, who introduced Mrs. Kahring, of St. John, to the audience. Mrs. Kahring then outlined the new work of the prevention of disease, which is being taken up by the society, and showed how the large percentage of anti-measles during the war proved that if the vitality of the nation was to be preserved, the

work of prevention must be taken up by every community. She then explained the program that the Red Cross Executive had outlined and asked for the support and co-operation of the people of Hartland and the surrounding districts. Mrs. Kahring was supported by Mrs. J. T. G. Carr. At the close of the meeting Mrs. Simms was appointed agent for Hartland and district. She will organize in the near future a campaign to secure additional members for the Red Cross Society. The meeting closed with the National Anthem.

## "THE WALK-OFFS"

GREAT PICTURE HERE FOR  
MAY 24—DON'T MISS IT.

The management of the Star Theatre offers an unusual feature for the evening of May 24. This features the beautiful May Allison, in a brilliant and telling satire of social parasites—and it is a love story that breathes the spirit of real romance. The title of this big six reel feature is "The Walk-Offs" and it has been especially selected for an audience that enjoys the beautiful and entertaining, but yet which will not sanction the sensational of suggestive.

Those who recall the picture given on last Victoria Day will recall that "The Hearts of Humanity" not only drew crowds the full capacity of the

MAY ALLISON, "THE WALK-OFFS"

hall, but it gave them most delightful pleasure and gave offense to none. The picture to be shown next Wednesday will please the people just as much.

If you do not know what a Walk-Off is, here is the story:

A "walk-off" is a name applied in the play to a brainless society parasite, a penniless and useless species of mankind who sponges the means of his existence—clothes, lunches, dinners and pleasures—off some equally brainless member of his set, more fortunate financially.

Bob, the Kentuckian's colored manservant, tells the old darky legend of Adam and Eve in the Garden. Eve, according to the story, got very tired of Adam and asked him if he'd get God to make some more people to amuse her. To this God agreed and going to the clay-pile fashioned a number of new people.

But, according to Bob's story, God was called away before He could put the brains in the new creatures. He loaned them up against the fence to dry and when they had, "they jes' walk off, dassel, no brains, suh."

#### SUMMER SCHOOL IN WOODSTOCK

A summer school for Christian workers under the auspices of the Maritime Religious Education Council, will be held in the Methodist church, August 23, 24, 25 and 26.

It is expected that Rev. W. A. Ross, Rev. W. G. Machum, Rev. F. M. Milligan and Elementary Secretary, Miss Harrison, will be among the staff of instructors. Board will be furnished at one dollar per day at last year.

Study classes will be held in the forenoon. The afternoon will be given up to recreation on the island. There will be inspirational addresses in the evening. A picnic supper will be provided each afternoon and thus promote sociability.

## TENNIS CLUB IS ORGANIZED

Large Number of Young People Meet and Organize—Season of Brisk Sport Anticipated

On Tuesday evening a number of the young people got together and organized a Tennis Club. Officers were elected as follows: C. D. Dickson, pres.; Miss Martha McColm, vice-pres.; G. W. Montgomery, sec.-treas. Field Committee: V. W. Simms, A. W. Kyle, Walter Baker, Walter Morgan, Clayton Rideout, Miss Margaret Nixon.

Membership Committee: Margaret Green, Martha Rideout, Mabel Morgan, Frank McAdam, Lorne Britton.

The membership fees will be \$2 for gentlemen and \$1 for ladies. For the present A. W. Kyle's tennis court will be used and the first game will be played this evening. It is expected that the membership will be sufficiently large that a second court will be required. It is also hoped that during the season match games will be arranged with visiting clubs.

## CROSS CREEK ROAD GREATLY IMPROVED

The town street committee, under the capable chairmanship of Ald. H. H. Hatfield is doing some remarkably good work on the Rockland road. Both sides have been ditched and the whole length of the road is made dry and is done in such fashion that it will be dry as long as the ditches are kept free. The Cross Creek swamp is being filled and a bad drive is being eliminated. Up to Friday the whole cost of repairs was \$188 and the road was then ready for gravel, which is available right at hand. This piece of road will be made the equal of the famous "Craig Road." Soon as this is completed the building of a concrete side-walk on Main street, from King to Prince, will be commenced.

#### EAST FLORENCEVILLE NOTES

Congratulations are being extended to Mr. and Mrs. E. R. Hunter on the arrival of a baby daughter—Marjorie Vella, on Tuesday, May 10.

Mrs. E. W. Saunders and Miss Stella Hunter were in Fredericton last week attending the graduation of U. N. B.

The Women's Institute held an entertainment in Smith's Hall on Friday evening. It being fine weather, a large audience completely filled the hall and eagerly awaited the raising of curtain for the first number of the program, which consisted of various solos, readings, drills and tableaux. These were followed by a farce, entitled "How the Story Grew," which kept the audience in laughter from beginning to end. A little over \$100 was realized for school purposes. Much praise is due the Women's Institute for their efforts and success.

Ernest Saunders is spending a few days at his home here having just returned from U. N. B. where he has passed a very successful term and received his diploma in the Forestry course.

Mrs. J. C. Hunter and Borden Hunter were visitors in Hartland during the week at Mrs. Geo. Britton's.

Frank Mitchell, representing Hall & Fairweather was in the village Wednesday.

Mrs. Kahring of St. John was here Wednesday speaking in the interests of the Canadian Red Cross Society.

Gordon Marr of Millville spent the week-end here the guest of his sister, Mrs. Arthur Shorpy.

Please remember the Florenceville Women's Institute will repeat their entertainment in the Lakeville Hall on May 27.
