Shows signs of falling, begin at once the use
of Ayer's Hair Vigor. This preparation
strengthens the scalp, promotes the growth
of new hair, restores the natural color to
gray and faded hair, and renders it soft,

"We have no hesitation in pronouncing
Ayer's Hair Vigor unequalled for dressing
the hair, and we do this after long experi-
ence in its use. This preparation preserves
the hair, cures dandruff and all diseases of
the scalp, makes rough and brittle hair soft
and pliant, and prevents baldness. While it
is not a dye, those who have used the Vigor
say it will stimulate the roots and vigor-
ize the hair, gray, white and red hair, and
changing the color to black."

Ayer's Hair Vigor is excellent for the hair.
It stimulates the growth, cures bald-
ness, restores the natural color, cleanses the
scalp, prevents dandruff, and is a good dress-
ing. We know that Ayer's Hair Vigor differs
from most hair dyes and similar prepara-
tions, in being perfectly harmless. From

changing the color to black."

around with heads looking like "the fretful
porcupine" should hurry to the nearest drug
store and purchase a bottle of the Vigor."
