First Again.—Two other fires occurred in this city during the past week. The first broke out between 12 and 1 o'clock, on Thursday morning, in the distillery of Mr. James Coles, jun., at the eastern extremity of Kent Street. Assistance was promptly rendered by the Fire Companies and other inhabitants, and the confingration was subdued in time to save the building, though it received considerable injury. It was insured in the office of the Mutual Insurance Company.

in time to save the building, though it received considerable injury. It was insured in the office of the Mutual Insurance Company.

The second fire occurred at the western end of the city, at a late hour on Thursday night, in a small unoccupied house, owned by a person named Neill, a rigger, and we understand it was destroyed. It is stated that it was only recently insured, and that there are some circumstances connected with the fire which warrant the suspicion that it was subtwork of an incendiary.—Examiner.

GRAIN SHOW.

THE PROTESTANTS OF all demoninations will be held at the TEMPERANCE HALL, on
FRIDAY NEXT, at SEVEN o'clock, p. m. Lieut.-Col. Gray in the Chair. A full and punctual area of the committee of the Protestant Combination will meet (D.V.) on FRIDAY NEXT, will be held at the TEMPERANCE HALL.

A British officer writing from Teheran, Persis, to the London Times, remarks: —"A Cathartic Pill manufactured by an American chemist' (Dr. J. C. Ayer, of Lowell, Mass.) has cured the Shah of a Liver Complaint that threatened his life. This simple fact, as might be expected, renders the Americans immeasely popular here, while we English are overlooked. Doubtless our own scholars made the discoveries which he employs, and thus it is in everything; we do the labor, then the mousing Americans put their mark on it and take the reward. Dr. Ayer is idolized by the Court and its retainers here, which will doubtless be reflected to him on a gold snuff box, or diamond hilted sword, while not the name even of Davy, Christoson or Brodie—the great lights by which he shines, is known." [New York Sunday Paper.]

Wistar's Balsam of Wild Cherry. FROM THE BOSTON JOURNAL.

This medicine, coming from a respectable source, and carefully prepared by an experienced and skillful physician, in received by the public with confidence. Its efficacy has been proved in many obdurate cases of disease, and its fame has rapidly extended. It has been extensively used in every part of the country, particularly in the Middle and Northern States, and strong testimony, from highly respectable and intelligent persons, has been adduced in favour of its merits as a remedy for Colds and Coughs, affections of the Chest, diseased Liver.

No other Conada Remedy has a coar estated to high

No other Cough Remedy has ever attained so high a re-None genunine unless signed I. BUTTS on the wrapper.

Caution.—We would caution all who buy Pain Killer to be careful and call for Perry Davis' Vegetable Pain Killer, and to take none not put up in square bottles, with Perry Davis & Son's due bill pasted on one side of the bottle. All

Do not neglect a Cough, however slight, it is hardly ex-cusable, when a simple remedy like Wistar's Wild Cherry Balsam is within your reach. This is in nearly all cases ef-fectual. No family should be without it.

These Periodicals ably represent the three great political parties of Great Britain — Whig, Tory, and Radical,—but politics forms only one feature of their character. As organs of the most profound writers on Science, Literature, Morality, and Religion, they stand, as they ever have stood, unrivalled in the world of letters, being considered indispensable to the scholar and the professional man, while to the intelligent reader of every class they furnish a more correct and satisfactory record of the current literature of the day, throughout the world, that can be possibly obtained from any other source.
