**L. BLACK & CO'S
Spheroidal
Spectacles
AND
EYE GLASSES**

ARE the best for the preservation of
the sight, and took the medal at the
Centennial Exhibition.

The lenses are made of the best ma-
terial, uniform in density, and of high
refractive power, their perfect polish
and spheroidal shape adapt them to ease
and improve the sight of the wearer.
The eye being the most delicate or-
gan great care should be exercised in
selecting spectacles; it is not enough
that the glass be of the right focus, but
the lenses must be perfectly centered
and in many cases perfect relief is only
given by having each eye fitted separa-
tely. To effect this the lenses are made
interchangeable, and having an Opto-
meter to measure the sight, a perfect
fit is guaranteed.
Call and examine before purchasing
any other kind.
A full stock in Steel, Rubber, and
Gold Frames and prices to suit all
pockets.
S. F. SHUTE,
Watchmaker and Jeweler.

PATENTS**
obtained for mechanical devices, medi-
cal or other compounds, ornamental
designs, trade-marks and labels.
Caveats, Assignments, Interferences,
Infringements and all matters relating
to Patents, promptly attended to. We
make preliminary examinations and fur-
nish opinions as to patentability, free of
charge in all cases. Those who are inter-
ested in new inventions and Patents are invited
to send for a copy of our "Guide for
obtaining Patents," which is sent free
to any address, and contains complete
instructions how to obtain Patents,
and other valuable matter. During the
past five years we have obtained nearly
three thousand Patents for American
and Foreign inventors, and can give
satisfactory references in almost every
county in the Union.

WELLAND CANAL.

NOTICE TO BRIDGE BUILDERS.

SEALED TENDERS addressed to the un-
derigned (Secretary of Railways and
Canals) and endorsed "Tender for Bridges,
Welland Canal," will be received at this office
until the arrival of the Western mails on
TUESDAY, the 25th DAY OF JUNE next,
for the construction of swing and stationary
bridges at various places on the line of the
Welland Canal. Those for highways are to
be a combination of iron and wood, and those
for railway purposes are to be of iron.
Plans, specifications and general conditions
can be seen at this office on and after MON-
DAY, THE 31st DAY OF MAY next, where
forms of tenders can also be obtained.
Parties tendering are expected to have a
practical knowledge of works of this class,
and are requested to bear in mind that tenders
will not be considered unless made strictly
in accordance with the printed forms, and—
in the case of firm—except there are at-
tached the actual signatures, the nature of the
occupation and residence of each member of
the firm; and further an accepted check for a sum
equal to \$250 for each bridge, for which an
offer is made, must accompany each Tender,
which sum shall be forfeited if the party ten-
dering declines to enter into contract for the
work at the rates and on the terms set out
in the notice.
The cheque thus sent in will be returned to
the respective parties whose tenders are not
accepted.
For the due fulfilment of the contract the
party or parties whose tender is proposed
to accept will be notified that their tender is
accepted subject to a deposit of five per cent.
of the bulk sum of the contract—of which the
sum sent in with the tender will be considered
a part—to be deposited to the credit of the
Receiver General within eight days after the date
of the notice.
Ninety per cent. only of the progress esti-
mates will be paid until the completion of the
work.
This department does not, however, bind
itself to accept the lowest or any tender.
By Order,
F. BRAUN,
Secretary.
