the Board that some new cars will have to be provided during the coming summer, but no definite action was taken last night. It is possible that a by-law may be submitted to the people for the privilege of raising the necessary funds.

### ESTIMATES PREPARED

#### BOARD OF HEALTH HELD A BUSY SESSION LAST NIGHT.

Mayor Carter presided at the regular meeting of the Board of Health last night, and those present were Ald. Parker, and Messrs. John McHardy and C. W. Kelly, the latter taking his seat on the Board for the first time, Dr. H. O. Howitt, M. H. O., and the two Inspectors.

The minutes were approved and the usual accounts passed.

It was decided on the recommendation of the Sanitary Inspector to request the Finance committee of the city council to leave the telephone in the residence of the Associate Sanitary Inspector.

A number of residents of Alexandria and Victoria streets complained of a nuisance in that part of the city owing to parties keeping pigs, cows and poultry. Referred to the Associate Inspector.

The matter of securing a suitable cab for contagious diseases was discussed, and a committee composed of the mayor, J. McHardy and the secretary were appointed to look into the question.

The Associate Sanitary Inspector was directed to receive from the druggists of the city their prices for the supply of disinfectants for the year and report at the next meeting of the Board.

The Board decided that the Barrett Dairy Co., operated under the Factories Act, and were thus responsible for the removal of their own garbage, the collectors having refused to remove same.

The Secretary was instructed to call the attention of the Chairman of the By-laws and Markets committee of the city council to the unsanitary condition of the water closets in the Winter Fair buildings.

It was decided that the Board will meet regularly hereafter on the second Thursday of each month at 8 p.m.

There was some discussion over the estimates for the Board for the coming year, and the following were passed and will be submitted to the Finance committee:

General Purposes . . . . .	\$600.00
Medical Health Officer . . . . .	500.00
Sanitary Inspector . . . . .	300.00
Asso. Sanitary Inspector . . . . .	750.00
Uniforms . . . . .	75.00
Car tickets for Asso. Insp. . . . .	12.00
Telephone . . . . .	25.00
Isolation Hospital . . . . .	100.00

J. W. Webb, the boss at the city dump, was given an increase in wages from \$9 to \$10 a week.

The M. H. O. received authority to put one of the rooms in the smallpox hospital in a proper condition, and the M. H. O. gave a talk on the Health Act regarding vaccination.

## ANT IN A BODY

#### LIBERAL-CONSERVATIVE EXECUTIVE COMMITTEE PASS RESOLUTION OF REGRET AT DEATH OF LATE COLLEAGUE.

An emergency meeting of the Executive Committee of the South Wellington Liberal-Conservative Association was held on Monday afternoon in the Borden Club rooms, there being a very large attendance of the members present.

Personal regret was expressed by many of those present at the loss sustained by the death of Mr. C. Kloefer, and ex-Mayor Thorp, who was in the chair, summed up the general feeling in his introductory remarks in which he explained the object of the meeting and the preliminary arrangements that had been made for attending the funeral.

A resolution of regret at the death of their late colleague was passed by the Executive, and a committee was appointed to draft a suitable expression of the feeling of the Association and forward it to the family.

With regard to attending the funeral it was decided that all the members of the Executive and Conservatives generally should attend as far as possible, and march in a body from the house to the church.
