Revival of Cricket.

We have been furnished with a circular entitled, Memo re the Proposal to form a Newfoundland Cricket Association. It is proposed to purchase from the St. George's Stock Co. the balance of their lease in St. George's Field, which runs till 1918, to register as a Limited Company, to improve the grounds, build a small pavilion, and buy cricket gear, practice nets, etc. The estimate of the cost is \$4,000.

The promoters believe that the running expenses can be met by current revenue, but it is proposed not to pay interest on capital or refund capital to subscribers, but to invite the latter to raise the money with the object of fostering cricket, "and they do not ask anyone to subscribe with any other object in view."

The Football Association would become their sub-tenants, but they do not propose to use the grounds on Wednesdays or Saturdays, and on other week days only after 6 p.m.

We direct the attention of cricket-lovers to this proposal, which the promoters believe after a careful consideration of this and other schemes, is the most feasible one.

We should like to see this effort to revive the game meet with success, and with this desire, we commend it to the consideration of our readers.

"MARY" WRITES. — We hope to publish another letter from "Mary" to-morrow.

The Pierrots.

The Editor Evening Telegram. Dear Sir,—May I be permitted to reply briefly to "Aristocrat." He says that in drawing conclusions concerning the taste of an audience by its applause I am not logical. He further says that one can enjoy a good novel and also understand Shakespeare; and that one could listen to the "Chocolate Soldier" without impairing one's taste for Oratorio!

Oh, shades of Handel, Haydn, Mendelssohn did ye turn? The semblance between the Pierrots and a good novel I cannot quite see, and with the mind that pairs an Oratorio with a frivolous musical comedy, I feel I have no interests in common nor can I think that "Aristocrat," but dimly has any conception or appreciation of all my plaint.

That within us that responds to an Oratorio surely could not tolerate vaudeville! I feel that my plaint is quite logical.

"Aristocrat" says in effect that rather than fail in being good men, the Pierrots preferred to be good bad men!

I think that the six or eight hours which they have been spending every week for the last month or more might have been put to much better advantage. If they had been children at their first entertainment I could understand the latter part of "Aristocrat's" letter.

Thanking you for space,

Yours truly

Fouled Her Anchors.

There is an old schooner in the stream opposite Downing Bros. premises only showing over water. She is lying on the chains of Mr. Jas. Young's schooner, of Twillingate, and Mr. Young has been engaged the past 10 days with a crew of men trying to clear the vessels. This is causing him annoyance and expense and he intends to hold the owner of the submerged craft responsible for the loss he is sustaining.

Had Eczema In Both Legs

Remarkable cure of Chronic Eczema by use of DR. CHASE'S OINTMENT. You could scarcely imagine a more severe case of this ointment than the cure of Mrs. Clark recorded here. For twenty years she suffered all the tortures of this terrible disease and tried in vain the prescriptions of doctors and the cures commonly recommended. "I tried Dr. Clark's Ointment, and writes:—My mother had Eczema in both legs for about 20 years and suffered from the dreadful itching, stinging sensations which can never be described. She doctored and tried everything for it but got no relief until she used Dr. Chase's Ointment which was recommended to her by a friend. She found that this brought relief and by continuing its use has been cured of Eczema. I do not think any one could have this horrible disease any worse than she did and can recommend Dr. Chase's Ointment as a thorough cure for Eczema." Dr. Chase's Ointment, 60 cents at all dealers or Edmansons, Bates & Torrance. Dr. Chase's Recipe sent

Cabin Broken Open.

Vessel Ransacked and Watch Stolen. The schr. Erminie has been laying up in the stream of Downing Bros. premises all the winter, and before going to the seal fishery this spring one of her crew, Wm. Dally, of Twillingate, went on board and hung a new coat and vest in the cabin, which he then locked and otherwise secured, leaving these articles behind until he should come from the ice-fields. Yesterday he went on board the schooner to get his belongings and was surprised to find that the compartment had been burst open and that some thief had visited the vessel. His coat and vest were left behind, but the watch and chain, valued at \$20, had been stolen. The thief, whoever he was, made a thorough search of the schooner, turned everything topsy-turvy, and smashed all the crockery, &c., in pieces. The matter will be reported to the police.

In the Police Court.

To-day a drunk was discharged and two disorderlies were each fined \$5 or 14 days. Two seamen from the Lady Napier, who deserted the vessel were put on board. A labourer, Judge, of Topsail Road, who assaulted and beat his sister, also kicking the woman, was before the bar. The woman would not prosecute, but Judge Knight denounced him for his brutal conduct, told him that he deserved 6 months and bound him over to keep the peace in the sum of \$500.

Several civil cases were adjudicated on in the C. D. Court.

A Rough Time.

A large crowd assembled at Harvey & Co's. pier last evening to see friends off on the Rosalind. In all about 50 steaming passengers went, mostly men from Torbay, Hr. Grace and other places. A good many had imbibed rather freely and there was considerable wrangling. Several of the firemen, who are Germans, had a free fight, but were all put on board. The ship's baker lost his passage and was left behind. The police made a search for the man Malone, who fought with W. Cullen, who had his leg hurt, but could not locate him on the ship.

Coastal Boats.

REID'S BOATS. The Argyle left Placentia this a.m. for the west. The Ethie left Placentia at 7 p.m. yesterday. The Glencoe left Louisburg at 11 a.m. to-day for St. John's and is due here about 11 to-morrow night. The Ethie, Clyde, Dundee and Home are now in readiness for the bay service.

Train Notes.

The local via Broad Cove arrived at St. John's at 12.45 p.m. to-day bringing Rev. J. St. John, Magistrate O'Toole, Magistrate Fitzgerald and 40 others. The west bound express arrived at Port aux Basques at 3.30 a.m. to-day. The incoming express from Port aux Basques reached town at 4.40 p.m. yesterday. The 8.45 train this morning took out Capt. Fitzpatrick, Miss Fitzpatrick, Mr. Kavanas, Mr. Kavanagh, (2) and 30 others, mostly sealers returning home.

CLOTHING WENT ASTRAY.—Yesterday a man named Martin came here from Harbor Grace to go to Montreal by the Rosalind. He forwarded his clothing before him and on arrival here could not find it. He could not go in the ship and hopes to find his property to-day.

Some very expensive new wax figures have been imported by Mrs. Jarley and they will be exhibited at the Methodist College Hall on Thursday evening next, at 8.30. Reserved seats, 40c.; general admission, 20c. Tickets at Dicks & Co. Proceeds in aid of Alexander Workers and Convalescent Home.—adv.11

HERRING AT BROAD COVE.—Herring of large size and excellent quality have made their appearance at Broad Cove and the few nets out have taken good fares.

DIPHTHERIA IS DEVELOPING DAILY.—Another case of diphtheria was reported to the Health Authorities to-day from No. 8 Notre Dame Street. The patient is a girl, 18 years old, and she was removed to hospital for treatment.

DRIVING ON SIDEWALK.—To-day teams are driving on the sidewalk opposite the Custom House on Water Street to the detriment and annoyance of pedestrians. There is a law prohibiting this practice and the Council should see that it is enforced.

AN OFFICERS' DANCE.—The Warrant officers and Non-Coms. of the C. L. B. will hold a dance in their Armory to-night. The excellent band of the Brigade will furnish the music.

A BACKWARD SPRING.—This has been an exceptionally backward spring for farmers and people owning gardens, owing to the severe stormy and cold weather. This time last year cabbage plants were put in the ground by several but it looks now, as if it will be late in May before any can be set.

BANK FISH SCARCÉ.—The Asst. Collector, Mr. H. W. LeMessurier, had the following wire to-day from the Preventive Officer at St. Lawrence: "American schooner Theodore Roosevelt, J. Wayne, master, arrived to-day. Vessel was fishing on Grand Banks and reports weather boisterous and fish scarce."

Dividing the Mission.

At the regular annual meeting of the parishioners of St. Paul's, Trinity, in addition to the usual business having been attended to and disposed of, the question of dividing the Mission in order to overtake the work was introduced by Rev. C. W. Hollands and formally discussed. The discussion of the subject will be continued at other meetings and the necessary division will be effected as soon as the financial difficulties are removed. Mr. Orlando Morris was elected Church Warden.—Enterprise.

Store Blown Down.

During the storm on Wednesday night the end blew out of the old oil store at Bremner's upper premises. Some trap punts, &c., which had been stored there were damaged. The other buildings will come down "by the run" in a stormy day. It is a pity to see so much good lumber thus destroyed.—Enterprise.

Rev. Fr. Cacciolini, of Barron Island, P.E., is in town.

Mr. William Coleridge, who has been spending his Easter vacation at his home at Catalina, arrived yesterday by the Stella Maris. Mr. Coleridge will resume his studies at Bishop Peild College till the summer vacation, when he intends taking a trip to the Old Country and will return home through the Maritime Provinces.

FROM BAY DE VERDE.—Mr. M. O'Neill who is in town from Bay de Verde, says that the only structure on the waterfront damaged there in the recent storm was the Government wharf.

ANOTHER LARCENY.—Detective Byrne is to-day engaged looking up a larceny that was committed last night at a large industrial institution in the West End. The theft was a daring one.

COCHRANE STREET RECITAL.

The Recital on to-morrow, Wednesday evening, will be of interest to all lovers of music. The anthems prepared by the Choir are interesting, and will be effectively rendered by a full choir. That anthem by Bartlett, "Hush! all the sky is overcast," contains solos for contralto and soprano, and Mrs. Arthur Mews and Miss Vincent will take these parts, respectively. Mr. Harry Courtenay sings an Easter solo, and Mr. Alex. Mews will play "Salut d'Amour" by Elgar on the cello. Recital begins at half-past eight, and admission is free.
