The Economy of 'Paisley Flour'
 —the rare raising powder—is so great that a 5 cent tin is sufficient for a pound of ordinary flour, a 22 cent tin for half a stone.

And do you know
 that by using Paisley Flour, cake making at home is very little trouble; also it is much cheaper than using cake mixtures.
 A great advantage of home baking with "Paisley Flour"
 The SURE raising powder
 is that you know what is in the cake—that all the ingredients are clean and sound.
 Use one part Paisley Flour to eight parts ordinary flour.
