BUCHAREST EVACUATED IN GOOD ORDER.

NEW YORK, Dec. 7. A News Agency despatch from Paris says: The Roumanians evacuated Bucharest in good order, saving their army. It was authoritatively stated here to-day. The Roumanian rearguard was forced to fight strenuously to cover their retreat.

A NATIONAL ADMINISTRATION.

LONDON, Dec. 7. The Chronicle says that David Lloyd-George is believed to favor a strong labor policy, including state control of all coal fields, and other large developments in the direction of collective ownership. It is asserted unanimously in the press that if Lloyd George succeeds, his cabinet will be a national administration pure and simple, looking to the needs of the war alone, which the paper says is the prime necessity of the moment.

It is regarded this afternoon as virtually certain that Lloyd George will succeed in organizing a Ministry which will have the support of a majority in the Commons, the Labor party having decided to participate in making up the new cabinet. It is said that George Nicoll Barnes, Labor member of Parliament and Privy Councillor, and Arthur Henderson, Minister of Education, would be members of the cabinet, and that one of them would sit on the war committee. In addition it is also said three under secretaries will be allotted to the Labor party. It is understood Lloyd George is aiming at a cabinet of twelve members, five of them Unionists, five Liberals and two Labor representatives. From this number a small war council is to be appointed. Lloyd George's difficulty at present is to obtain adequate Liberal representation, inasmuch as nearly all the Liberals in Asquith's cabinet decline to serve under him. It was decided at a meeting of the Liberal Committee held under the chairmanship of Sir Fred Cayley, and attended by thirty members, to support the new Premier actively. That David Lloyd George has virtually succeeded in forming a cabinet is indicated by the following announcement in the Court Calendar:

DUTCH TRAWLERS CAPTURED.
 LONDON, Dec. 7. A Reuter despatch from Amsterdam says a number of Dutch trawlers were towed into Cuxhaven and the German authorities took 35 per cent of their fish on the ground that it was contraband, as that portion of the total Dutch catch has been assigned to England.

SAYS BREMEN LOST IN STORM.
 AMSTERDAM, Dec. 7. From a statement made by Alfred Lohmann, President of the Board of Directors of the German Ocean Navigation Co., in which he declined to say anything about the German submarine Bremen, except that the vessel was neither torpedoed nor captured, the Cologne Gazette infers that she was lost during a storm in the Atlantic.

FRENCH OFFICIAL.
 PARIS, Dec. 7. A communication issued by the war office to-night reads: There is nothing to report except a spirited artillery action on the left bank of the Meuse, in the region of Hill 304. The Army of the East, Dec. 6: The enemy bombarded our position on the slopes north of Sokol, which resulted only in the capture of a part of a height recently conquered. South of Seres a Turkish trench was cleared by British troops, who brought back prisoners. The Belgian communication has nothing to report.

TAKING IT EASY.
 LONDON, Dec. 7. "I have no intention of joining the new cabinet. I prefer to sit in Printing House Square or Carmelite House," Lord Northcliffe thus remarked to a Central News interviewer to-day.

GERMAN COMMENT ON ASQUITH'S RESIGNATION.
 AMSTERDAM, Dec. 7. The resignation of Premier Asquith clears the situation, according to the Koelnische Zeitung, commenting on the English political crisis. The paper says the enemy's last forces will now be brought into the field and when they, like the others, have hurled themselves vainly against the strength of Germany we shall find England ready for honest peace.

LIKELY CHANGES IN FRANCE.
 PARIS, Dec. 7. Following the example of Great Britain, changes of moment can be foreseen also in France. In fact, the coming to a head of the British situation has only hastened in France developments which were before practically certain. The secret session of the Chamber of Deputies, at which the demands of the French "knockout" group are being urged, has now almost reached its end. It has now almost reached its end. It has now almost reached its end. It has now almost reached its end.

THE STATES DISSATISFIED.
 WASHINGTON, Dec. 7. It may be said that the United States does not regard the circumstances which the German note recites as showing justification for the sinking of the Arabia without warning, or as relieving the commander from establishing the status of the liner.

PALERMO'S CREW SAVED.
 NEW YORK, Dec. 7. The crew of the Italian steamer Palermo, which was torpedoed and sunk off the Spanish coast on Thursday, were saved, according to a cable received from their home office by Sartfield Solar & Co., local agents of the ship. The cable despatches from Madrid which reported the sinking said that one sailor, said to be an American, died in hospital from wounds, and three others were seriously wounded. The message made no mention of the loss of life.

THE GREEK SITUATION.
 LONDON, Dec. 7. In response to an enquiry at the Foreign Office to-day, concerning the situation in Greece, the Associated Press was informed that a despatch had been received from the British Legation at Athens, stating that the American, Dutch and Spanish Ministers there were going to call upon the Greek Foreign Minister and enter a protest against the ill-treatment of the adherents of Venizelos in Athens. Notwithstanding, it is generally believed that the Entente blockade will go into effect immediately without notice. Government officials are optimistic after a conference between King Constantine and the Italian Minister this afternoon. It is asserted in Government circles that Greece can withstand a siege of twenty days, although districts that can be reached only by water will suffer more. In consequence of the recent clash of the Entente forces with the Greeks in Athens, the British and French Governments have prohibited the sailing of Greek ships from their ports to those of Greece.

Mother! Give Child "Syrup of Figs" if Tongue is Coated

If cross, feverish, sick, bilious, clean little liver and bowels.

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver, and bowels so nicely. A child simply will not stop playing to empty the bowels and the result is they become tightly clogged with waste, liver gets sluggish, stomach sour, then your little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhea. Listen Mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it and it never fails to act on the stomach, liver and bowels. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.

A FALSE REPORT.—The report that is being circulated around town to the effect that "Writter" John Ashworth of H.M.S. Briton is about to be married to a young lady of this city is incorrect. Mr. Ashworth informs us that he is at a loss to know from what source the story originated, but in justice to himself and the lady friend in question he asks us to state that the report is entirely false.

A Sickly Wife No Fit Mate For Any Man

GIRLS AND WOMEN SHOULD LOOK WELL TO THEIR HEALTH AND STRENGTH.

Never before was physical health and vigor so highly esteemed and so eagerly sought for as to-day. No man finds happiness in a sickly wife, and the woman who wishes to enjoy the pleasures of life should spare no effort to maintain perfect health. Is your daughter growing up strong and ruddy? Has she strength to drink in greedily all the pleasures that youth so zealously seeks—or is she compelled to use the street car instead of enjoying the delightful exercise of walking—does she after the ball arise refreshed and vigorous, or is she exhausted, indifferent, and perhaps irritable? When strength and vigor can be so easily maintained by Ferrozone, when the glow of health is so quickly brought to the cheeks and elasticity to the step, it is plainly a mother's duty to see that Ferrozone is on hand to assist her daughter back to health. Upon the wake of Ferrozone quickly follows a stream of rich, nourishing blood, which imparts that power and surplus energy so earnestly desired by those in ill-health. Stop and think what this means for your daughter—certainly a great deal, and it can be accomplished by Ferrozone. Every growing girl and young woman derives enormous benefit in many ways from this nutritive vitalizing tonic. It is specially suited for young women as it is a guarantee of health and regularity as long as it is used. Ferrozone is free from alcohol and perfectly safe to use. Prepared in the form of a chocolate-coated tablet and sold in 50c. boxes or six for \$2.50, at all dealers, or direct from The Cattarhose Co., Kingston, Ont.
