

Nfld. Poultry Show.

DEPUTATION ENTERTAINED.
At the Poultry Show last evening a deputation from the Bell Island Poultry Association consisting of J. B. Gilliam, President, Dr. Carnochan, Mr. A. A. Hughes and Mr. N. Cohen were entertained at supper by the committee of the parent organization. The entertaining committee consisted of Messrs. A. J. Bayly, Judge Walter Field, Judge Stanley White, J. F. Calder and C. R. Williams. In the absence of President L. Mesquiere, Mr. Williams welcomed the delegation and extended the congratulations of the N.P.A. to the sister organization of Bell Island on the wonderful progress made during the two years of its existence. He especially congratulated Dr. Carnochan on his success in exhibiting his birds at the present show in the Armoury and winning a silver cup for White Plymouth Rocks against all competitors. He also expressed the thanks of the St. John's Association for the many courtesies extended to the city poultry men who visited Bell Island in connection with their show. From the Bell Island deputation, Mr. N. Cohen, Dr. Gilliam and Mr. Cohen expressed their appreciation of the assistance of the St. John's Association, and rendered them in their organization on Bell Island by loaning them the poultry coop and stables for their shows the past two years. Mr. A. J. Bayly also spoke and extended the congratulations of the Department of Agriculture on the wonderful progress Bell Island had made in the quantity and quality of its poultry in such short time and wished them continued success. Judge Stanley White and Mr. A. Hughes also spoke. The supper ended with the singing of "Auld Lang Syne." The attendance at the exhibition during the evening and night was not so great as in former years. Tea was served during the evening by the Ladies' Auxiliary of the C.I.B. which added to the pleasure of those present. Some additional prizes have been received and are as follows: A cheque from H. E. the Governor, cheque from W. K. Chancey, Grand Falls, set of caponizing instruments presented by Mr. E. A. Payn, Secretary Board of Trade, and a substantial cheque from Mr. C. B. Archibald, Manager at Wabana of the British Empire Steel Corporation, to be awarded to the breeder whose eggs produced the birds that won the largest number of prizes in the Bell Island and St. John's Poultry Shows. The exhibition closes to-night when the distribution of prizes takes place.

Masonic Reciprocity.

At the St. Andrew's Installation in the Masonic Temple on Wednesday an interesting coincidence occurred. The N. W. District Grand Master, Mr. Dudgeon, has recently appointed the Rev. Clarence Moulton, of District Grand Chaplain under the Scottish Jurisdiction. By the regulations now in force the District Grand officials install the Lodge officers of corresponding rank. The Chaplain of St. Andrew's Lodge is the Rev. Ernest Earp, Rector of St. Thomas's and the duty of installing him fell accordingly on his Curate, Mr. Moulton. A little later on, there being no Grand Organist present, the District Grand Master delegated the Lodge Chaplain to install Mr. Moulton as Lodge Organist. Rector and Curate thus reciprocated in one ceremony, and is all probability established a unique precedent in Masonic history. -Daily News.

Benefit Performance.

LARGELY ATTENDED.
The benefit performance of "Decca Dances" by the B.S. players in aid of the Belvidere Orphanage drew another overflow audience to the Grand Theatre last evening despite the fact that it was the fourth presentation. It was indeed a very happy thought to remember the orphans and we compliment the performers on their kindly action. The show was thoroughly enjoyable, and all the artists in the play, as well as in the specialties, excelled their previous efforts. If this were possible, we hope to see in the very near future a grand production from this talented aggregation of players. There will be no performance to-night, but by request there will be a matinee to-morrow afternoon at popular prices so as to give the children an opportunity of enjoying this splendid production.

Nurses' Association Meeting.

At the Newfoundland Nurses' Association quarterly meeting held last night Dr. Rendell was the speaker. Talking as his subject "Shibboleths," he expressed many of the fallacies regarding consumption, entirely upsetting the many of the pre-conceived ideas held in relation to this dread disease.

Published by Authority.

His Excellency the Governor in Council has been pleased to appoint Mr. Ernest C. Bayly, M.A., to be a member of the Council of the District of St. John's, in place of Mr. Edgar Jones, Ph.D., left the District. Nov. 20th, 1921.
