Turkish Arrogance Upsets Conference —
Peace or War Now in the Balance —
Bluenose Wins First Race in Elimination Tests.

ANOTHER HALT.

CONSTANTINOPLE, Oct. 8. There has again been a halt in armistice negotiations at Mudania. Two of the three members of each of the Allied delegations returned to Constantinople this evening. One of the delegates said: "We have returned to confer with the High Commissioners because the final Paris instructions have not yet reached Mudania. We shall return to Mudania to-night." In the course of the afternoon Gen. Harizanov demanded of Ismet Pasha that the Turks withdraw their forces from the neutral zone near Ismid. Unless this was done, he declared, he might be obliged to make a demonstration on both flanks of the Turkish forces.

The immediate suspension of ferry boats on the Bosphorus has been ordered by the British. A diplomat in close touch with the Mudania Conference expressed the belief tonight that the next twenty-four hours shall spell peace or war. "If Ismet continues his arrogant attitude and insists perpetually in seeking to upset the negotiations, the Conference must cease in its efforts for peace," he declared. The British Admiral in command has issued an order that, beginning tomorrow, no vessel, steam, sail, or otherwise, will be permitted to move out of the Bosphorus between six o'clock in the evening and seven in the morning.

cal newspaper Kirix says the local Government has instructed General Masrakis to sign the Mudania Armistice Convention, thereby agreeing to the evacuation of Eastern Thrace.

DO TURKS WANT WAR?

LONDON, Oct. 8. The Constantinople correspondent to the Times declares that by the new Paris agreement, Ismet Pasha secured 90 per cent. of what he demanded. Should he refuse the offer, the correspondent adds, there will be only one interpretation of the refusal, namely that the Ankara Government desires war.

FRANCE WARNS GREECE.

LONDON, Oct. 8. A Reuter despatch from Athens dated Saturday, says the Greek Government has received a severe warning from France against the despatch of reinforcements to Thrace.

ANOTHER VIOLATION.

CONSTANTINOPLE, Oct. 8. Turkish infantry and cavalry, it is announced, have violated the neutral zone around Ismid. This is the first violation of the zone protecting Constantinople on the Asiatic front. The Turks have not, however, yet advanced far enough to come into contact with British troops in the outskirts of Constantinople.

THE GIANTS AGAIN CHAMPIONS.

NEW YORK, Oct. 8. The Giants are once more baseball champions of the world. They reached the pinnacle for the second successive year in a furious uphill battle this afternoon that flung the Yankees to defeat, five to three.

A BLUENOSE VICTORY.

HALIFAX, Oct. 8. Blanketed by her three rivals at the start, relegated from first to last position at the first buoy, when she took the wrong course, left more than two minutes behind when she overtook the second mark, and denied thereafter the windward work which was regarded as her hope, the Lunenburg fishing schooner Bluenose proved herself down wind as well as by it, and came home a winner by more than six minutes in Saturday's first race for the Nova Scotia fleet championship. If Angus Walters brings his vessel in winner on Monday the Bluenose will go to Gloucester to defend the title as International champion.

AGREE TO EVACUATION OF THRACE.

CONSTANTINOPLE, Oct. 9. A despatch from Athens to the London Times says that the Greek Government has agreed to evacuate Eastern Thrace.

Music carries us on wings of thought to visions of the beautiful, it soothes and quietsens or it quickens or enlivens, according to the art of the player.

Colours, too, have their effect. Reds for warmth, Grey coldness, Yellow enlivens and Blue brings quietness. Discriminative persons give care to the decorating of their homes.

against the United States Challenger on Oct. 21 and 23. The LaHave entry, the Canada, Capt. Joseph Conrad, which went into a seven minute lead when the Bluenose took the wrong course did not surrender it until only twelve of the forty miles remained. She finished second. The Lunenburg entries, Mahaska and Margaret K. Smith, were not serious contenders, except at the beginning. They finished in the order named. Had not the Smith followed the Bluenose down the wrong course she might have finished third or second.

THE RACE BULLETIN.

HALIFAX, N.S., Oct. 7. The schooner's official time, rounding the third mark was Canada, 15:30; Bluenose, 1:8:10; Mahaska, 1:18:46; Smith, 1:16:45. The Bluenose was rapidly gaining on the Canada and at one twenty-five was overlapping her. At one thirty the Bluenose had passed to weather and assumed lead of the fleet, reaching number four inner automatic; the wind freshened to eighteen knots and barring accidents, the Bluenose wins.

HALIFAX, N.S., Oct. 7.

The Bluenose crossed the line a winner, at 2:55 unofficial time, with a long lead over the Canada, while Mahaska and Smith were straggling far behind.

Wedding Bells.

MCGRATH-RILEY.

There was recently solemnized at the Church of the Blessed Sacrament, at Broadway, New York City, U.S.A., the marriage of Dorothy Elizabeth (Dot) McGrath, daughter of Mr. and Mrs. B. M. McGrath, 49 Cochran Street, this city, and Harold W. Riley, B.A., M.D., F.C.S., only son of Mr. and Mrs. J. F. Riley of New London, Connecticut. The marriage nuptials were performed by the Rev. F. J. Ryan, assisted by the Rev. Fr. Philbin. The bride's dress was of Henna crepe de chine Parisienne style, with Oriental trimmings with picture hat and fur to match. Her going away dress was grey Canton crepe trimmed with burnt orange and black ostrich turban and grey velvet. The bridesmaids were her sisters, Misses Mabel and Angela McGrath, who were attired in brown silk crepe dresses, brown picture hats shaded with orange and Kolinsky fur scarves. Mr. Thomas B. McGrath, brother of the bride, performed the duties of groomsmen, and was assisted by Dr. Nesbit, personal friend of the groom, and Mr. Graves, Counselor at Law, a friend of the groomsmen. Wedding lunch was served at the Waldorf Astoria, at which the usual toasts were given. The groom's present to the bride was a Pierce Arrow car, to the bridesmaids gold ear rings, and to the groomsmen diamond stick pins. The honeymoon was spent at the home of the Rileys in New London, after which they visited some of the principal cities in the west and have now settled down in Wisconsin, which they intend making their future home. Dr. Riley having been appointed Superintendent of the Wisconsin State Sanatorium. The Telegram joins with the many friends in wishing Dr. and Mrs. Riley a bright and happy future.

The Price of Fish.

FISHERMEN DEMAND \$5 FOR LABRADOR—DEPUTATION MAY COME FROM BONAVISTA.

The fishermen of Bonavista Bay are not satisfied to receive less than \$5 per quintal for Labrador fish, and at a representative meeting held on Saturday night at Wesleyville, the Telegram learns that a deputation was appointed to proceed to St. John's to lay the men's demands before those interested.

S.S. Susu was held for three hours waiting for the deputation, but as the meeting was apparently to be a long one, the ship did not wait but came along to this port, as per schedule.

The price of Labrador fish is now \$4 but sales are difficult to effect even at this figure. The Bonavista Bay men appear to have determined upon keeping their fish until the price goes up.
