

Belvedere Garden Party.

AN UNQUALIFIED SUCCESS.

Yesterday was a gala one in connection with Belvedere Orphanage Garden Party. The annual affair was held at the orphanage grounds and attracted a large attendance of citizens of all classes and creeds. The grounds presented a very pretty scene flags and bunting made up the decorations, while the presence of numerous tents and stalls, the splendid array of refreshments, and the tea tables, laden with delicacies was one of real grandeur.

The various sporting events were highly interesting and hotly contested. The Junior League Football Fives was a feature, which resulted in a win for the Cadets. The three-mile Road Race, for a cup graciously presented by Master Kieley was unfortunately not competed for. There were only two entrants against Mr. O'Leary, and owing to their being of tender years, he was sporty enough not to run against them. The Committee then put up a special prize to be competed for by the two young athletes in the field and the race for the beautiful cup will be run off at a later date. The prizes were presented by Mrs. A. Hiscok.

A feature of the day's programme was the dancing of a ribbon drill by the little girl orphans. A special musical programme was furnished by the C.C.C. and Mr. Cashel Bands during the afternoon and evening, which added greatly to the success. At 5 o'clock teas were served and at night a dance was held in the recreation grounds, which was well attended and did not terminate until an early hour this morning. The Garden Party was an unqualified success and a handsome sum was realized. The Committee and all concerned are to be heartily congratulated for their endeavours.

Exciting Footer To-Night

What promises to be the best game of football for the season, takes place at St. George's Field this evening. The teams figuring in the contest will be the C.E.I. and Cadet eleven. It is expected that a record attendance will be present, as the outcome will be watched with interest, as to a large extent the championship figures on the outcome. The C.E.I. team is without the services of Jack Field, who met with a bad accident in the last game, but will be replaced by Phil LeMessurier in the forward line. The Cadets will play the same line-up as formerly. The players for to-night will be as follows:—

CADETS—Goal, R. Walsh; backs, E. Kavanagh, J. Brown; halves, J. Canning, M. Madigan, W. Flynn; forwards, M. Flynn, J. Young, Walter Callahan, R. Meaney, W. Callahan.

C.E.I.—Goal, Noseworthy; backs, G. Hunt, F. Coefield; halves, J. Adams, W. Drover, E. Churchill; forwards, E. Meadus, N. Hunt, G. Adams, Phil LeMessurier, S. Winsor. Mr. Chas. Quick will referee.

Personal.

His Lordship the Bishop of Newfoundland left by to-day's express on a visitation to the West Coast. His Lordship was accompanied by the Rev. Andrew Tulk of Portugal Cove, as Chaplain. The visitation will probably extend over July and August.

Just Folks.

THE CROWD.

I must follow the crowd each day,
Must do what the crowd is doing.
Must say what the crowd will say
And pursue what the crowd's pursuing;
I must read what the throng is reading
And feed where the crowd is feeding
I must submerge my thought
In the blind mass of the many.
Must buy what the crowd has bought,
Though it cost me a pretty penny;
I must care as the crowd is caring
And wear what the crowd is wearing.

With never a will of my own,
I must think what the crowd is thinking—
Man is jerked when he stands alone,
And a jeer sets my courage shrinking.
So I cheer when the crowd is cheering,
And I sneer when the crowd is sneering.

Yet I know when the crowd is wrong,
But nothing I do about it.
Though sometimes the urge is strong
In me to stand up and about it;
But wanting its fickle praises,
I join with the crowd and its crazes.

Every Little Helps.—An alumni of Radcliffe was helping in the recent drive to raise money for the Radcliffe endowment fund by selling soap. She employed two small boys to take the soap to the houses of some of her friends. Little Johnnie, with the boxes under each arm, marched up to one door and knocked.

"Why are you selling the soap?" inquired the lady of the house.
"To raise \$3,000,000 for Radcliffe."
"Three million dollars! and are you trying to raise it all by yourself?"
"No," came the quick response, "there's another little boy helping me."—Ex.

\$9.00What Do You Think
of a Fluid

That will draw roaches and ants out of every hole, crack, or crevice before killing them and not poison food?

That will kill bugs instantly and not leave an unpleasant odor?

That will knock flies off the wall and not harm paint or paper?

That will keep the bedroom, kitchen, or verandah clear of flies, mosquitoes, etc., for several hours after a few sprays?

That will take fleas off a dog and not harm the dog?

That will destroy chicken lice without any injury to your stock?

That applied in small quantities to the exposed parts of the body will insure you from Mosquito bites?

That as a general disinfectant is stronger than the ordinary carbolic solution.

THAT FLUID IS

SAN-O-SPRAY.

No insect can live where San-O-Spray is used. Yet San-O-Spray is non-poisonous to human beings and can be used with perfect safety in pantry, kitchen, dining room, and cellars, moreover San-O-Spray has an agreeable and delightful odor, removing all fetid or unpleasant odors. In addition San-O-Spray is a disinfectant and germicide. Keeps the home sanitary and free from infectious diseases.
