Great Cure of Liver Complaint and Dyspepsia in Canada.

Consecon, Prince Edward Co., C. W.,
March, 1867.

Messrs. Young & Chamberlain, Sirs—Having
proved within my own person that there is
at last a medicine that will indeed cure Liver
Complaint and Dyspepsia, I am induced to
make this statement, under oath, which is to
certify that I have been sorely afflicted for
the last three years, according to the Doc-
tor's statements, with Liver Complaint and
Dyspepsia. I had a feeling of sinking and
vacue uneasiness about the stomach, worse
than pain, eructations of wind, occasional
pain, drowsiness, constipation, uneasiness in
the right side, headache, a poor appetite, &c.,
and was greatly reduced in strength. Hearing
your new Indian medicine, the Great Shos-
hones Remedy, spoken of so highly, I tried
a bottle with your Pills, from these I must
say I found but little change, but I took an-
other and then found my health improving. I
continued it until I have taken about ten bot-
tles, using the Pills, and I feel quite re-
covered. I eat hearty wit out pain
or uneasiness. I am well and have pleasure
in attending to my business. The doctor re-
marked to me I was looking much better. I
told him that the Great Shosshones Remedy
was doing it. I have recommended the Re-
medy in several cases, and it has invariably
given good satisfaction, and I would strongly
recommend it to all similar cases.
