Grean Success.—It is needless to say
at the success woich Dr. Briggs has
hisved in his profession as a surgeon
irropodist has been unparalleled in this
ace; many of our most estimable and
orthy citizens, ladies as well as gentleen, have been relieved from corns, bunms, club and inverted nails, without the
ightest pain or uneasiness, and doubtsammy more would, had they an adesate appreciation and knowledge of his
niity. Few individuals are aware that
the disease of the feet, if not fatal to one's
fe, are certainly as annoying as can be,
and the remedy is simple and sure; the
orn, bunion or inverted nail must be
tilliully and carefully treated and the
ain entirely ceases. The only way to
bain this relief is to apply to Dr. Briggs
and entirely ceases. The only way to
bain this relief is to apply to Dr. Briggs
and the remedy is feet are treated
the most skillful manner. Dr. Briggs
fodern Curative is sold by druggists and
buntry merchants generally. For sale

### RON IN THE BLOOD.

The necessity of a due proportion of iron in the blood is well known to all medical men; when it becomes reduced (rpin any cause whatever, the whole system stuffers, the weakest point hein out reference to the Board in London. No charge first attacked, and a feeling of languor, lassitude and "all goneness" pervades the system. Stimulants only afford temporary relief, and have the same effect as giving a tired horse the whip instead of oats. The true remedy is to supply the blood with the necessary quantity of iron. This can be done by using the
