What Will the Council Do With the License Petition?

Temperance People Will Send a Large Deputation to Monday Night's Meeting.

o recommend a reduction in the numer of liquor licenses in London, And all are speculating as to what the cuncil will do with No. 3's recomhe prayer of the temperance petition when it comes up at the next council

That the end of the matter has not been heard by a long shot, is evidenced by the fact that prominent temperance workers give out today that another large and influential deputation will wait upon the council and back up the temperance petition on Monday even-

Some of the aldermen have, apparently, been making promises to both parties," said a temperance man today, "and we will be on hand to see what these fellows do when the vote It is a pretty difficult thing to say

just where the aldermen stand on this matter, but, according to the speculation slate going the rounds of the city hall today, this is how the vote something goes wrong with the works), trade. when an opinion is sought on the mat-ter of reducing the licenses: Against-Abram.

Gerry, Cooper,

Of course, as already stated, this is purely speculative, but on "dope," as they say in sporting circles, it looks like a win for the anti-reductionists. It appears, however, that both parties are The sole topic of conversation in banking on the support of Alds. Carson banking on the support of Alds. Carson and Cooper, but so far neither gentleman has declared his position publicly on the matter. But at all events, Mon day night will tell the tale, and both the temperance people and those who cuncil will do with No. 3's recom-do not see eye-to-eye with them, will know who's the after the vote has

One of the arguments being used by those who are opposed to cutting off the licenses is that this year London, with its grand Old Boys' reunion, and to the its bi-centenary celebration, will have pany. its hands full to accommodate the thousands of visitors who will be at- London for seven years, and during tracted to this city. Instead of cutting that time has made many warm friends off the hotels, they argue—as does Ald. Saunders—that the license law should be more vigorously enforced; that all license-law offenders should be punished severely, and that all places holding hotel licenses should be compelled to provide accommodation for the public upon demand. It is alleged that at present it is impossible secure a meal or a night's lodging many of the places holding hotel will stand next Monday night (unless alone for their income upon the bar licenses, as the proprietors depend

In this regard a prominent Londoner said today that he is in favor of increasing the quality of the accommodation necessary for the securing of a notel license. It is his idea that no hotel which has not at least fifty bedrooms should be granted a licens

The magistrate immediately expressed his willingness to allow the charge to be withdrawn. There had been no attempt to defraud, he held, and Mr. Cantin went away without any reflection on his charge to be withdrawn. There had any many reflection on his charge to be greatly fagilitated—and the cost of the diagnosis would be greatly about to put on their act, which was number eight on the programme, when a messenger stepped into the wings

As soon as he was again in the wings, his sorrow reappeared and the tears

the ups and downs of an actor's life. He has been on the road with a troupe of his own, but having experienced hard luck, had lately been doing vaude-ville work.

TRANSFERRED TO TORONTO BRANCH

Mr. J. A. Carrick, of the Queen City Oil Company, to Leave London.

Many Londoners will regret to learn that Mr. J. A. Carrick, the local manager of the Queen City Oil Company, is to leave next week for Toronto, where he has been appointed to the more responsible position of assistant to the general manager of the com
