## LONDON AND DISTRICT

Bank Clearings in Three Cities.—The total bank clearings in Toronto, Hamilton and London for the week ending April 17, were \$41,353,706, \$3,553,461, and \$1,954,336 respectively.

Death of Infant.—Alfred Campbell Hardy, infant son of Frederick and Irene Hardy, died on Thursday. The funeral will be held from the residence of his aunt, Mrs. Herbert Cook, 205 Adelaide street, on Saturday at 1 o'clock for interment in Ivan Cemetery, Lobo.

C. I. Cadets to Dance.—The Daughters of the Empire are giving a complimentary dance to the High School Cadets for the purpose of raising money to-night. A number of officers and their wives will be present, as well as Principal and staff of the High School. The dance will be held at the High School.

Must Pay Tuition Fee.—The faculty of Assumption College of Sandwich, the plaintiffs in an action against Angelo Famularo, of this city, have been given a judgment against the defendant amounting to \$266. The amount is for the tuition of the defendant's son at the college, and also for several incidentals. Messrs. McKillop, Murphy & Gunn represented the plaintiffs.

Miss Jennie Steele gave an artistic and highly-appreciated recital at Conservatory Hall Thursday evening before a large number of parents and friends of the pupils. Those taking part were: Julia Butler, Audrey Webster, Laura Allen, Helen Moore, Mildred Granger, Geraldine Glover, Alice Egan, Winnifred Pearson, Alberta Somerville, Yvonne Varnam, Helen Miller, Irene Foster, Helen Patterson, Geraldine Bindner and Annie Brock. Especially brilliant was the playing of Miss Helen Miller, who played the piano. The concert was accompanied on a second piano by Miss Steele. Miss Olive Robinson, elocution pupil of Miss Newbury, and Miss Effie Parsons and Mrs. J. Page, vocal pupils of Miss Belle Brown, ably assisted.

Industrial and Art School Exhibition. The citizens will be pleased to learn that an opportunity will be afforded them to visit the Industrial and Art School and thus gain a first-hand idea of the class of work that has been done there during the past winter. The Industrial and Art School has in the short time it has been in operation taken a strong hold upon the citizens. It is filling a long-felt need, and its phenomenal success is a matter of pride to the citizens. The idea of closing the winter term with an exhibition of work and throwing the school open to the public on those evenings was a happy one, and there is no doubt that a great many will avail themselves of the opportunity. The school, the equipment and the exhibit of work are each in themselves well worth a visit to see. The exhibit will be held in the Alexander school on the corner of King and Colborne streets on Friday and Saturday evenings next.

## Little Lost Ones Restored by Police

Three young ladies walking down Dundas street shortly after noon today were accosted by a pretty little miss of about 8 years of age, wearing a red sweater coat. Between sobs and with tears streaming down her face, she told them that she could not find her mother and did not know where her home was.

The young ladies explained matters to P. C. Edgar, Bowler, who was passing, and he took the little maid with him to the police station.

Hardly had he resumed his beat, when he was accosted by a frantic mother, who inquired if he had seen anything of a fair-haired little girl wearing a red sweater coat. He told her that the child was safe in the police station.

## INSPECTION OF DAIRIES ALMOST COMPLETED

Vendors Must Get Order From M.H.O. Before Applying For License.

Some of the local milkmen have been asking why the annual inspection of dairies by the board of health has not been made, but Dr. Hutchinson states that the inspection is being made and that it is very nearly completed. Dr. C. S. Tamin, V.S., who supervised the inspection of herds and dairies from which milk is supplied to the city, is out of town at present, having been absent for the past two weeks, but information was given at his office that he had completed a large part of the annual inspection before leaving the city.

lice station. "But will she be all right there?" inquired the mother. To relieve her anxiety the officer directed her to the Carling street depot, where a happy reunion took place.

A little boy also lost his bearings on the downtown street and spent a short time with the officer. His friends soon arrived to claim him.

## BACK YARD CLEAN-UP IS NOW IN ORDER

The M. H. O. Will Ask at Once for the Appointment of Inspectors.

Dr. Hutchinson, medical officer of health, will ask at the next meeting of the board of health for the appointment of back-yard inspectors at once.

He thinks the appointments should have been made some time ago in order that the men might have an opportunity of getting at work early and finishing the inspections before the hot weather arrives.

It is his contention that the work should be done early in the spring in order that the places where flies and germs breed may be cleaned up before the sun gets strong enough to hatch them.

Health Inspector Lutman says that many of the streets could have been cleaned up now if the people had been able to get teams to haul the stuff away, but that it is next to impossible to hire men or teams for the work.

"I never saw such scarcity of teams in all my experience," said Mr. Lutman, "builders and contractors are handicapped on account of not being able to get teams to do excavating, and dozens of people telephone here every day asking where they can hire a man with a team to clean up and haul away the refuse in their yards."

## Activities of the Boy Scouts

Scoutmaster Henderson has been about athletic scoutmaster, and is busy arranging a scout baseball league.

A new organization, the Scout Rangers, for first-class Scouts over 16, is about to be formed. Inquiries should be made to Mr. Henderson.

The badge commissioner, A. S. H. Cree, has notified the scoutmasters of the necessity of annually testing holders of first Aid badges.

London was represented at the second annual scout conference in Toronto last week by Messrs. Copeland, Paul and Raymond. Father Minnehan, of Toronto, and Major Smith, of Chatham, gave splendid addresses.

It is the intention to arrange for a series of rallies, at which prominent naturalists will be asked to speak.

The Sixth West London Troop are specializing in first aid work. Mr. W. B. Clark, of the St. John's Ambulance Corps, has sixteen ready for their badges.

Sergt. Jorgensen, of the Ealing Boy Scouts, has retired from the office of scoutmaster.

Scoutmaster E. H. Raymond has organized an intelligence department in connection with the London Boy Scouts. This department will soon be in a position to supply maps of the surrounding country.

The standing of the Ninth Troop to date. Particulars of the other troops will be given next week.

Scoutmaster—W. B. Brady.

## ASK \$164,000 FOR SCHOOLS

Number 1 Committee Forwards School Board's Request to Council.

GRANT IS IN SIGHT

Debentures amounting to \$164,000 for school purposes were passed by the finance committee of the city council Friday afternoon. Chairman E. R. Dennis, A. M. Hunt and W. W. Gam-

mage, of the board of education, were present. The debentures include \$70,000 for Aberdeen School, \$35,000 for an addition to Alexandra School for industrial purposes, \$10,000 for a new heating plant in Talbot Street School, \$33,000 for an addition to Chesley Avenue School, for an addition for a site in South London for both West and South London pupils after the Wharncliffe road bridge is built.

Inquiries Into Expense.

Ald. Richter thought it an inopportune time to ask for so much money and subjected the industrial school item to a close scrutiny. He wanted to be sure that when money is at so high a price, \$35,000 was not being asked for "something whimsical." The trustees united in pointing out the good work accomplished by the industrial school, and on the motion of Ald. Johnston the entire amount asked for was recommended to the council.

It was also pointed out that if the industrial school added two courses in applied science and electrical work, it will this year repay a government grant of \$5,000 or \$6,000.

It was decided that the short term debentures should bear 5 per cent interest, and the long term debentures 4 1/2 per cent.

Ald. Moore and City Solicitor Meredith were appointed to represent the city at the meeting of the railway commissioners in Toronto, April 30, to hear the request of the city council to enlarge the limits in the city for the free distribution of freight and express.

Grant to Poultrymen.

Dr. Niven and William McNeill, representing the London Poultry Association, asked the committee to make a customary grant of \$200 for the Thanksgiving poultry show.

Applications for annual grants were also received from the Salvation Army and the Trades and Labor Council.

The assessor's clerk was asked, asking for an increase of pay from \$12 to \$15 a week.

## HEAVY ICE DELAYS BIG LAKE STEAMERS

Harmonic Will Not Leave Her Docks for at Least a Week.

SARNIA BRANCH OFFICE, 209 Front Street.  
Office hours, 9 a.m. to 5:30 p.m., 9:30 p.m. to 5:00 p.m.

[Special to The Advertiser.]

Sarnia, April 19.—The heavy ice in Lake Superior has caused the Northern Navigation Company to defer the sailing date of the Harmonic until the 26th of April. It was expected that the boat would leave today, but ice reports from the Soo were too unfavorable.

Five big freighters passed up the St. Clair River last night, one behind the other. The boats left Buffalo together, bound up, loaded with coal for Superior ports. It is likely that they will be delayed at the Soo for two or three days.

Eight vessels loaded with grain are expected to arrive at the Port Huron elevator from Port William. This will be one of the largest consignments of grain that has ever been received at one time.

It is understood that it will be shipped out by car as fast as it is unloaded. Much of the grain received at the American city is re-consigned to Canada.

## DOUBLE TRAGEDY NEAR SASKATOON

[Canadian Press.]

Saskatoon, April 19.—Fred W. MacFarlane, a horse dealer in Laidlaw, and an unknown livery driver, were drowned together with one horse when they drove into a swollen creek on the way to Shebo. The bodies have been recovered.

## STILL UNFINISHED

Only One Abutment on Black River Bridge is Completed.

[Special to The Advertiser.]

Sarnia, April 19.—Sarnia people have about given up hope that the bridge over Black River in Port Huron will ever be completed. The structure should have been done some two months ago at the least, and so far no more than one abutment has been completed. The shoppers from here who go over to that town besides those that cross to take the Interurban cars to Detroit, are forced to go across Black River by way of an inconvenient and out of the way foot bridge, and they are getting about tired of it.

## MERCHANTS' MEETING

Matters of Interest to Various Businesses To Be Discussed.

[Special to The Advertiser.]

Sarnia, April 19.—The local merchants will hold a meeting in police court on Tuesday evening next. Questions of importance to the town's business interests will be discussed and several other questions considered. It is expected that most of the merchants will attend.

## SUNDAY FUNERAL

Sons of Scotland To Be in Cortege of George Bruce.

[Special to The Advertiser.]

Sarnia, April 19.—The funeral of George Bruce, local contractor, who died at his home here Wednesday, will take place from the family residence Sunday afternoon at 2:30. The flag on the town hall is at half mast out of respect to the dead man who was a former member of the council. The Sons of Scotland will attend the funeral in a body.

Shadrach Mann, aged 81, died at his home on George street yesterday. The funeral will take place from the family residence on Monday next, and burial will be made in Lakeview Cemetery.

## ATTEMPT TO BOMB A HISTORIC RELIC

Militant Suffragettes Attack the Famous Smeaton Tower at Plymouth Hoe.

Plymouth, April 19.—A militant suffragette "bomb troop" this morning attempted to blow up the famous Smeaton tower on Plymouth Hoe, which is the original Eddystone light-house built by John Smeaton in 1756, dismantled when it had become antiquated, and re-erected on the Hoe as a historic relic.

As in many instances of recent date the bomb employed by the militants failed to explode, it consisted of the usual cylindrical tin canister filled with explosives, and a fuse attached at the top. The fuse had been lighted, but was apparently extinguished by the wind.

On the cylinder the woman had painted in bold letters the words, "Votes for Women," "Death in Ten Minutes" while all around was scattered suffragette literature.

## ERADSTREET'S WEEKLY REPORT

The following report of trade conditions in London and district appears in Bradstreet's issue of today:

"London reports to Bradstreet's say that we weather have prevented sending being done up to date, but the fine weather of the last few days will start it going next week. Factories are fully engaged filling orders. Hardware, dry-goods and building materials are moving freely, and fair remittances keep the situation healthy."
