## USE CONNELL'S COAL.

Thanksgiving Seemed To Be Observed By Asking World's Series Results.

Thanksgiving day in London was apparently observed principally by eating and calling up The Advertiser office to find out how the third game in the world series came out. At least it seemed as if everyone called up, interest in the two teams playing being keyed up to the high pitch.

A football game between London and Petrolia attracted a large crowd in afternoon, while the field day sports at Queen's Park under the auspices of the International Athletic Association attracted amusement for another large gathering.

The latter association had 1,500 people at its annual rally in St. Andrew's Church last evening.

Rifle shooting at the cove brought out several hundred, while church services were all well attended.

REMOVAL NOTICE.

Dr. John Hutchison, dentist, has removed his office to his residence, 300 Queen's avenue, opposite Princess Rink.

## KNIGHTS OF COLUMBUS IN CONVENTION HERE

500 From Western Ontario

See Degrees Exemplified—

Banquet at Parish Hall.

Over 500 members of the Knights of Columbus from various cities in Western Ontario, came to London yesterday to see the second and third degrees exemplified in Hyman Hall.

The ceremonies were conducted by Grand Knight, J. Farrell, of Toronto, and his staff, and District Deputy Zinger and his staff, of Berlin. The former conferred the second degree and the latter the third degree.

The knights and their ladies gathered in St. Peter's Parish Hall last night where a sumptuous banquet was spread.

His Lordship Bishop Fallon was the principal speaker in the subject being "The Duty of the Hour."

He emphasized the need of making sacrifices to uphold Britain and the allies in the present fight against Germany and Austria.

Other speakers were: J. F. Power, M.A., of Toronto, and District Deputy Zinger, of Berlin, who spoke on the order. Dr. Claude Brown gave an amusing toast to the ladies, J. P. Donnelly and Fred Mullins sang songs.

Grand Knight Frank Forristal presided as toastmaster.

It is two years since the Knights gathered together in London for such an initiation, and visitors came from Toronto, Hamilton, Niagara Falls, Brantford, St. Thomas and other Western Ontario cities.

103 RECRUITS WANTED

Local Field Battery To Be Brought Up To Full Strength.

London's field battery, the Sixth, is to be brought to full strength once more. The semi-official announcement has been made that 102 men—the full strength of the company—will be sworn in and the corps reorganized with new officers.

Drill will be put on with the old guns of the corps that are now in the city, having been sent on here for the use of the reorganized corps.

Just who the new officers will be is unknown. Lieut. D. Blandford is the only officer of the old Sixth in the city, with the exception of Major Archie Becher (surgeon) and Veterinary Officer Dr. C. S. Tamlin. It is expected that officers of other corps may be transferred to the battery and a number of provisional officers gazetted.

NEED MORE PETITIONS

Churches Apply for Further Forms for License Reduction Vote Request.

According to H. B. Ashplant, of the Social Service Federation, three churches applied yesterday for more blanks for the petitions being prepared asking the council to have a license reduction vote next January.

"The King Street Presbyterian, the Melville Street Baptist, and the Assin Street Methodist all asked yesterday for more forms," said Mr. Ashplant. "We consider this a pretty fair indication of the way the general public is regarding the move for cutting off six licenses."

AN IMPROVEMENT CLUB

Employees of R. C. Struthers & Co. to Boost Canadian Business.

Employees of R. C. Struthers & Company organized an improvement society, with the following members: Honorary president, R. C. Struthers, vice-president, H. H. Struthers, president, A. Riach, secretary-treasurer, H. G. Harper.

It was decided to meet every Friday night for the purpose of holding debates on salesmanship and adopt measures to boost all business in Canada.

A social committee was appointed to arrange for an annual banquet.

Music That Sets Us a-Humming.

Have you faced the war situation with a cheerful hopefulness, or have you sometimes looked at it from a gloomy point of view, with a sigh on your lips and a sob in your soul?

In either event, come to our store any day, any time, and we will invite you to listen to "It's a Long, Long Way to Tipperary," "Boys of the Old Brigade," "The Deathless Army," and "The British Cavalry March," two double-sided Victrola records to make you optimistic and keep you so—two gloom-chasers in the real sense of the word. Do not fail to hear these records. Mason & Risch, Limited.

REAL "NUTTY" TIME

Many Londoners Spend Holiday in Nutting Parties.

Nutting parties were numerous yesterday. Springfield and vicinity was the Mecca of hundreds of Londoners who were out hunting for chestnuts, walnuts, butternuts, in fact any nut that they could find. The high wind of Sunday made it easy work to gather them.

The farmers had just as busy a day as the nutting parties. The majority of them, in the neighborhood of Byron, sell their nuts to grocers and fruit stores in the city and do not take kind to citizens visiting their woods.

Several parties of small boys had been out nutting, and the nutting parties of those who did fall into the clutches of the eagle-eyed farmers were despoiled of their afternoon's work.

The Byron Game and Protective Association had an automobile patrolling the roads in the vicinity of Byron all day watching for nutting and shooting parties.

HEAVY HOLIDAY TRAFFIC

All Trains Crowded With Holiday Visitors Yesterday.

Railway traffic, both in and out of London, was unusually heavy yesterday. One of the largest holiday records in the history of the steam and electric lines was rolled up. Every train had its quota of holiday makers, and passenger agents reported business that exceeded that of any holiday this year.

The outgoing traffic was possibly the heaviest but at the same time the number of out of town visitors, noticed at all stations, betokened the fact that London was the Mecca of thousands.

ILL ONLY THREE WEEKS

[Special to The Advertiser.]

WINGHAM, Oct. 12.—Nelson Schaffer, aged 22, died today after an illness of three weeks with appendicitis. He was born in Berlin, but came here some time ago and was employed in the furniture factory. Recently he had been working in Hanover and was home visiting his parents when he was stricken. Besides his wife and one son he is survived by his parents, five brothers and two sisters—Henry, of Hanover; Arthur, of Orono; Charles, of Cleveland; Walter and Edward, at home; Mrs. A. Ball, of Berlin, and Viola, at home. Owing to other friends from a distance, the funeral arrangements have not yet been completed.

Willie Hinchcliffe, aged 13, was painfully hurt when his dog ran in front of his bicycle, as he was riding down Wingham road. He was picked up upon the road, but soon recovered, and his injuries were found to consist of severe cuts and bruises.

The home of Wm. Thomas, who recently went to Valcartier with the volunteers, was robbed of \$2. It is believed that boys broke in and took the money. The police are investigating.

Miss Edie Rogers is the guest of friends in London this week.

Heavy shipments of eggs and poultry are being sent out from this district.

Mr. A. Duncan, of St. Mary's, paid a flying visit to friends while here on a business trip.

## HIS HEALTH IN A TERRIBLE STATE

"Fruit-a-lives" Healed His Kidneys and Cured Him.

HAGERSVILLE, ONT., Aug. 26th, 1913.

"About two years ago, I found my health in a very bad state. My kidneys were not doing well as on the left side I found some good remedy, and having seen 'Fruit-a-lives' advertised, I decided to try them. Their effect, I found more than satisfactory.

Their action was mild and their result all that could be expected.

"My kidneys resumed their normal action after I had taken upwards of a dozen boxes, and I regained my old-time vitality. I am enjoying the best health I have ever had."

B. A. KELLY.

"Fruit-a-lives is the greatest Kidney Remedy in the world. It acts on the kidneys, and thereby soothes and cures any kidney soreness."

"Fruit-a-lives is sold by all dealers at 50c, a box, 6 boxes for \$2.50, trial size 25c, or will be sent on receipt of price by Fruit-a-lives Limited, Ottawa.

UNION THANKSGIVING OF METHODIST CHURCHES

Rev. D. N. McCamus, of Colborne Street, Leads Special Service at Dundas Centre.

A special union Thanksgiving Day service, held in Dundas Centre Methodist Church on Monday morning, was attended by members of practically all the Methodist congregations in the city. Several of the ministers officiated at the service, the sermon being preached by Rev. D. N. McCamus, of Colborne Street Church.

Taking as his text the passage beginning, "By him we offer the sacrifice to God," Mr. McCamus said that the law of sacrifice still remained with the Christian Church, although the offering of animals to the consecration of ourselves.

Sacrifice, he said, was distinguished by two elements, service and suffering. Some religions placed the emphasis on suffering, but the Christian church emphasized service, and suffering was incidental.

Religious thanksgiving exercises had two aspects, the first the spiritual, and the second the beneficent. The first consisted of song, prayer and testimony to God's goodness. It was necessary that this spiritual condition should lead us to do good.

In doing good we should communicate to others the benefits we received. Communication was distinct from doing good, because the gift without the giver was like a flower without the root.

It needed the root to make it to make it a real benefit.

DRIVERLESS JOY RIDE

Auto Takes Jump Over Cove Road While Owner Was Asleep.

An automobile owned by G. W. Sherlock, Stanley street, took a mean advantage of the driver, when he was opening the gate to the cove rifle ranges, yesterday morning, by making a dash for the bank, when his back was turned. It ended up at the water's edge, a wreck.

Mr. Sherlock, who was in a hurry, left the engine running and neglected to put the brakes on, and when he jumped out to open the gate, the car started on its lonely joy ride, no person being inside to enjoy the trip over the hill and through the fence.

The car was pretty badly damaged, the windshield being smashed, the top demolished, and the fenders and the sides bent and broken.

CIVILIANS ARE BARRED

Can No Longer Use Ross Rifles and Government Ammunition.

Civilian rifle shots in this city probably held their last practice on the Cove ranges yesterday, so far as shooting with Government ammunition and using Ross rifles is concerned. In order issued yesterday morning, by the military authorities, temporarily prohibits the issue of these rifles and of ammunition to accompany them. This is done until the supply can be spared for this work.

Col. W. E. Hodgins, commander of the first division, will receive this order in an official way today and he said last night that all he could do would be to enforce it. Civilians therefore who want to use the ranges will have to furnish their own ammunition for the time being.

HEAVY HOLIDAY TRAFFIC

All Trains Crowded With Holiday Visitors Yesterday.

Railway traffic, both in and out of London, was unusually heavy yesterday. One of the largest holiday records in the history of the steam and electric lines was rolled up. Every train had its quota of holiday makers, and passenger agents reported business that exceeded that of any holiday this year.

The outgoing traffic was possibly the heaviest but at the same time the number of out of town visitors, noticed at all stations, betokened the fact that London was the Mecca of thousands.
