not responsible for what the politicians at Washington had done in regard to the League of Nations and the peace treaty. The majority of the people, he believed, were in favor of the league, for it stood for international friendship, and Americans in general wanted to live on friendly terms with the British Empire and the powers across

The United States sent men overseas to hold fight the ideals enunciated by President Wilson, and the people of the republic did not want to be in the position of failing to practice what they preached, the speaker said. The United States had just as much recognitifier to hear the hurdens of responsibility to bear the burdens of the world as the British Empire, and if the people had their way she would be bearing her share of the burden Great Britain now carried. Americans

in general regretted the political conditions at Washington, he said. B. C. McCANN IS CHAIRMAN

Reports Show Past Year a Most Successful One.

The public library board at its in-augural meeting for 1920 last night unanimously elected B. C. McCann as chairman for the year. The committees

chairman for the year. The committees were subsequently organized with Ben. Noble as head of the finance committee and Rev. Dr. Sage chairman of the library committee.

The past year was a most successful one, judging by the annual report of the librarian, the number of books foaned out to citizens being 308.892. The reference department was used by 24.000 people, and 35.000 books were consulted there. To teachers and others lied to the same of the subsequence of t

Talk Started It, But Action Was Finishing Touch

In This Instance Man Provided Former, Woman the Latter.

The fact was demonstrated this morning that the town possesses a female who would have made a good show against the German army. In fact, if Bought From Egyptian Sheik Speaker Recommends System the Hun had a few men with the fighting power shown by her they might have won the war, considering they had a !ittle luck.

the luck.

The battle opened with a light skirmish, but ended in a heavy action, a male visitor making a remark that was not appreciated. The heavy guns opened up with a good barrage of lefts and rights to the face and body. The infantry though, instead of taking the usual course of "over the top," moved in echelon around the left end of the counter and put in a flank attack.

The enemy started to evacuate, but was caught near the door. Action was again on the program and the man was seen to fall heavily. Evidently the conen to fall heavily. Evidently the consistence of a fifteen-inch took him off
